PRINCIPAL'S MESSAGE

Learning

This year we have had a significant whole-school focus on writing with many activities to enhance the love and skill development of writing (eg. grammar & punctuation, stamina, vocabulary & audience)! Students enjoyed writing about the 'mysterious rock' that landed on our oval and walking to Lake Hawthorn to encourage descriptive writing. Some of our preps were even awarded a prize at the Mildura Show for their handwriting!

Congratulations to students who have been a reading 'champ' this year! It was wonderful to see so many students involved in the 'Ms Warburton's Home Reading Challenge', who demonstrated fantastic commitment to read every night. The skill development associated with regular reading is always evident in student learning progress. Having the Book Fair back this year was also a big highlight and opportunity for students to purchase books to take home for their reading enjoyment.

The intervention program this year has once again provided specific and targeted support for students across the Prep to Year 4 cohort. Whether it be participation of a few weeks or a term, students have benefited from this small group focus to further develop their literacy and numeracy skills. This year the High Abilities Program provided some challenging thinking and problem-solving lessons which were highly enjoyed by students who participated in the literacy and/or numeracy program. Well done students!

Mental Health & Wellbeing

This year, our school focused on improving the sense of confidence of students being a 'good learner', by looking at, and discussing dispositions and words to describe what this looked like at The Lake and incorporating our school values to reflect this. To further extend the conversations, all students and families have participated in the design of a school mascot and what it means to be a 'Laker'! The creativity, thoughtful conversations and mascot designs were very impressive! We will continue to further refine this process and look forward to having this concept completed early next year.

Students also enjoyed the Annual Wellbeing Week this year (Wackadoo It's Wellbeing Week!) and participated in some fun mental health and wellbeing focused activities. As always, we aim to provide a high level of support for mental health and wellbeing across our school that is facilitated through morning check-ins, chatting with our Wellbeing Co-ordinator, access to specific programs (such as R.A.G.E) to ensure students are 'ready to learn' at their optimal best. We closely monitor and act on areas of concern that pop up in student surveys and celebrate areas of strength and growth in this space. We have also been very fortunate to be part of the Mental Health in Primary Schools Pilot Program this year which has provided another level of support for our families and students. It is fantastic that this program will run again in 2023! Students thoroughly enjoyed the return of school camps this year which further enhanced resilience and social connections. 😊

Student Engagement

After experiencing the impacts and challenges of COVID, as a school community, we embraced opportunities to further build connections to school for our students through activities that promote positive school engagement. This has been a priority through the implementation of Student Voice Teams, Junior School Council, designing a school mascot, participation in the Anti-bullying Program, leadership programs (Learning Through Lunch Program, brand new bike racks!), student run assemblies and the Wellbeing Week. These activities, along with many others, help to build capacity to activate student voice and agency for our students.

Community Engagement Social Connections

We welcomed back many school-wide events this year that so many of us missed over the past two years! Parents as Partners (Presentation of Student Portfolios), Athletics Day, Cross Country, Community Evening (with VicPol guest speakers) and of course our spectacular School Fete! These social connections and activities are integral to our school community to build positive and engaging relationships that are central to the learning journey of all our students.

Thank you!

Looking back at the Year of 2022, it is with great pleasure that we celebrate the successes and achievements of another year that looked a bit 'different' since COVID. My sincere thanks to our staff, students, families and wider community for making The Lake PS a great school to work & learn! Merry Christmas! Enjoy the holiday break!

Kind regards,
Bernadette Warburton

'Every Student Matters. Every Moment Counts'

Assistant Principal's Page—Shaun McInerney

What another fantastic year of learning and fun it has been at The Lake Primary School! We have certainly welcomed a higher degree of predictability and consistency in 2022, which has definitely released much of the mental anguish from the previous two years.

We have continued to live by our school motto of 'Every Student Matters, Every Moment Counts'. The students always come first and we make our informed decisions based on what is best for each individual child. Our highly established intervention and wellbeing programs have continued to address 'point of need' for individual students and I would like to thank and congratulate the key people powering these programs – Kerryn Rogerson, Louise Bowes, Toni Hammence, Ally Burke, Leah Crane, Vickie O'Toole and Liz Patterson.

One of the many highlights has been the return of school camps. Year 5/6 students ventured to Roses Gap; Year 3/4 spent three wonderful days at Cave Hill Creek and Year 1/2 had their excursion and Yr.2 sleepover in early September. A welcome government initiative was the $141 million Positive Start Camps program – a fully funded initiative aimed toward boosting the physical and emotional health and mental wellbeing in the wake of the Coronavirus pandemic. Fortunately, this allowed our Year 5/6 students to enjoy an extra 3-day camp in Echuca at Camp Kookaburra in early August. In addition, during March, four students (Christian Dewis, Charli Hopkins, Toby Scutcheon and Eli Weinert) participated in the 9-day Somers Camp – a truly life changing experience!

Amongst many, some other personal highlights throughout 2022 have been: National Day of Action Against Bullying & Violence (March 18th); ANZAC service (April 27th); amazing cross country results in St. Arnaud (May 30th); Prep 100 Days of Schooling (August 4th); Wellbeing Community Forum and the ongoing development of our 'Lakers' mascot (August 17th), and the Year 6 graduation at Willow & Ivie.

So, as we strive for continual improvement, what will 2023 bring? Every day, we can guarantee that we will work together to ensure every student has a great day, every day. We will work consistently on improving our school culture and live our values of Success, Tolerance, Respect, Learning and Resilience.

Finally, thank you to our wonderful school community for your unwavering support. We wholeheartedly value 'Parents as Partners' and look forward to continuing to strengthen relationships in the new year.

Kind regards,

Shaun McInerney

School Council President's Report

I am proud to speak on behalf of the School Council who have all devoted a lot of time and effort in supporting our school. The efforts of our School Council members have directly improved school facilities or have worked towards ongoing enhancements. The School Council unanimously agreed to organise this year's fete knowing how much work it would be, believing in the value of bringing our school community together.

I have enjoyed working closely with school leadership and observing their enthusiasm in being able to run school programs that students missed out on during Covid restrictions.

Special thanks to all members of our community who have assisted us throughout the year, particularly with the school fete. I wish everyone a safe and exciting holiday season and look forward to seeing us do even better in 2023.

Rick Burley, School Council President

P&C President's Report

What a successful year we have had! We were lucky to hold both our Mother's and Father's Day stalls this year which saw many happy students taking home special gifts. We tried a new fundraiser of socks which created an extra pop of colour throughout the school in Term Two and our annual pie drive was a big success. Thanks to the support of our school community, we have been able to help fund many projects around the school including outdoor seating, iPads, headphones and garden equipment, just to name a few.

A big thank you to this year's position holders:
Vice President and lunch coordinator – Maria Stanbrough
Treasurer – Mel Bott
Minutes Secretary and newsletter – Cassandra Chapple

Thank you to our amazing office staff, Robyn and Sallie, who help out with many tasks throughout the year. I feel so privileged to have a great team of parents and school community members always willing to put their hand up to help when they are able.

With Kindness
Louise Bowes, P&C President

2022 School Captains

To be selected as 2022 School Captain has been an awesome experience. Getting up on stage every Friday for assembly has been a great privilege and has allowed me to develop my confidence with public speaking. This experience has taken my confidence and leadership skills to the next level. Being a 2022 School Captain has been the biggest highlight of the year for me, I enjoyed seeing the younger students look up to me. As a school captain I had a few bumps in the road and challenges that I had to overcome, so I thank every one of you for placing your trust in me to carry out this heavy responsibility. Thank you for the experience of going to the GRIP leadership conference, representing our school at ANZAC Day marches and many more. Thanks to all the teachers, Ms Warburton and Mr Mac for leading the school captains to make the school a happy environment. I would also like to give a big thank you to my fellow school captain friends James, Toby and Charlee who made this experience much more enjoyable. I will cherish every moment. Good luck to the Year 5 students who are running for school captains in 2023 .

It was a great privilege being a School Captain for 2022 at The Lake Primary School. I had a wonderful time. I would like to thank Toby, Charlee and Zali for always making it as fun as we could. I have really enjoyed doing assemblies every Friday this year. Although I was not as confident at the beginning of the year, I have definitely talked a lot more because of the captaincy role. My highlights have been going to the GRIP conference and laying the wreath down at the ANZAC Day ceremony. I would like to thank Mr Mac and Ms Warburton for making it a really enjoyable year for all the captains. I would recommend this role to any Year 5 students who are searching for a leadership role to build their confidence. Good luck to all of the captains in 2023.

This year I had the opportunity to be girls School Vice Captain of 2022. I have really enjoyed being in this role at The Lake Primary School. Being the Vice Captain this year has helped me build my confidence and work on my social skills. I would like to thank my fellow captains Toby, Zali and James for a wonderful and fun year. I had fun writing the running sheets for the assemblies each week, as well as hosting them. I enjoyed going to the GRIP Conference at the start of the year which helped all Year 6's become better leaders and help the younger grades. A big thank you to Miss Humphrey and Mrs Walsh for making my last year the best year. I would like to wish good luck to the School Captains of 2023.

It has been a great privilege to be the 2022 Vice Captain of The Lake Primary School. It's been an absolute honor to help host the school assemblies with James, Charlee and Zali. I enjoyed being able to go to the 2022 GRIP Leadership Conference, it really helped me understand more about leadership and helped me become a better leader. I would also like to thank Mr Mac and Ms Warburton for helping me become the person I am today. It was also a bit of a challenge this year having to write the assembly sheet, as well as giving weekly reports on Literacy, Numeracy, Wellbeing and Being Active. Thank you to the 5/6 teachers for helping me over the course of the year. Good luck to those who are chosen to be School and Vice Captain for 2023. Make sure to cherish every moment of it and never hesitate to make a difference.

Guess Who?

1	Is a boy with red hair and blue eyes.
2	He has blue eyes, blonde hair and his name is two syllables long.
3	Is a Grade 4 girl with brown hair who is the tallest person in the class.
4	Is a girl with long dark hair and has only one vowel in her name.
5	Is a boy in Grade 4 who has two vowels in his name and has brown hair.
6	Is in Grade 3, with hazel eyes and prefers to wear pants, not shorts.
7	Is a boy with blue eyes, brown hair and is in Grade 4.
8	Is a boy with red hair, wears one earring, has hazel eyes and is in Grade 4.
9	Is a Grade 4 girl with brown hair, hazel eyes and freckles.
10	Is a Grade 3 girl, who loves to dance, has dark brown hair, blue eyes and has the letter ‘a’ in her name.
11	Is a Grade 4 boy with brown hair and likes to play football.
12	Has brown eyes, dark brown hair, doesn’t have any earrings and is in Grade 3.
13	Is a boy with light blue eyes, short dark blonde hair, no allergies and is in Grade 4.
14	Has blonde hair, blue eyes, no allergies and is in Grade 4.
15	Is a boy who plays football, has blonde hair, is in Grade 3 and has two brothers and sisters.
16	She has brown hair that is medium length, is in Grade 3 and her name starts with L.
17	She has dark brown hair, brown eyes and is in Grade 4.
18	He has light brown hair, blue eyes and is in Grade 3.
19	Is a Grade 3 girl with blonde hair, blue/green eyes and loves to wear jewellery.
20	Is a girl with blonde hair, blue eyes, is in Grade 3 and has earrings.
21	Is a Grade 3 girl with red hair, hazel eyes and freckles.
22	Is a girl with brown hair, is in Grade 4 and has bluish-green eyes.
23	Is a girl in Grade 3 and has three vowels in her name.
24	Is a tall boy in Grade 3, whose name has the least amount of letters and rhymes with Jack.

GETTING TO KNOW OUR

Education Support Staff

Miss Vicki has 2 adult daughters. She started at TLPS this year, but has 5 years in Education Support at other schools in the district. She loves camping.

Miss Louise is a mum of 4. She has been a member of The Lake family for 3 years. She loves going to crossfit, spending time with her family and has a passion for wellbeing!

Miss Ally is new to our school! She is currently studying to be a teacher and loves it here at TLPS. She loves her animals and spending the day reading and crafting.

Mrs Roelofs is a mother of 2 adult daughters and has 4 grandchildren. She has worked in Education for 15 years. She loves spending time with her friends and family

Miss Toni has one adult son. She has worked at TLPS for the past 22 years. You will always find Miss Toni surrounded by music, her family and friends.

Miss Bec is a mum of 4 boys and has just commenced working in the Education industry this year. Bec loves going on holidays with her family, and reading.

Miss Leah is a mum of 3 boys who loves her footy and basketball. She previously worked in the transport industry and has been working at The Lake the past 2 years.

Mrs Bacon is a mum to 2 adult children and has worked in the Education sector for 21 years. She loves camping and kayaking with her hubby and friends

Prep: What do we do to calm ourselves down?

Doing relaxation with music – Eliza

Lay down on the couch - Max

Taking a deep breath – Patrick

Ask mum to hug me - Benji

Take deep breaths – Rowie

Sitting down and doing yoga - Archie

Grade 1/2: How do we show kindness?

By sharing my toys when people are scared – Emmi

By taking care of people - Harrison

By helping people with their learning – Sam

By helping them feel better if they are hurt - Layla

By letting people play with me – Oliver

By asking people if they want to be friends - Remi

By looking after people – Zoe

Resilience, Rights & Respectful Relationships.

The students have their say!

Grade 3/4: How do we show our personal strengths?

Ask others to play – Mia

Helping others achieve their goals – Sienna

Being kind by helping people – Joseph

Being respectful by following the school rules - Kaidyn

Respect everybody – Mia –Anne

Being helpful by holding the door open for someone – Riley

Ask others first before helping yourself - Matilda

Grade 5/6: How can we be up-standers, creating a safe and respectful school for everyone?

Be respectful to your elders and peers - Saige

Stop cyber bullying – Kaiden

Help out a friend – Todd

'Call out' others being mean – Max

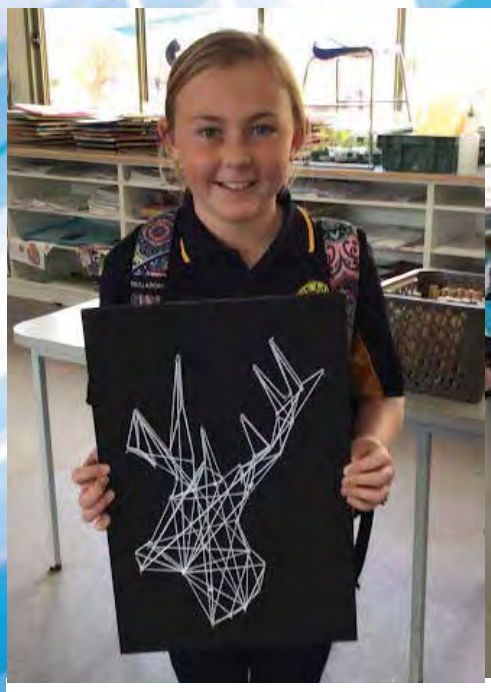
Use your manners, all day, every day – Lily

Look after equipment – Stella

Be kind and polite – Lincoln

Don't watch the wrong thing, tell a teacher – Isabelle

The Resilience, Rights and Respectful Relationships *learning materials have been designed to develop students' social, emotional and positive relationship skills. Efforts to promote social and emotional skills and positive gender norms in children has been shown to improve health related outcomes and subjective wellbeing. It also reduces antisocial behaviours including engagement in gender-related violence. The learning materials cover eight topics of Social and Emotional Learning across all levels: Emotional Literacy; Personal Strengths; Positive Coping; Problem Solving; Stress Management; Help Seeking; Gender and Identity; and Positive Gender Relationships.*



STEAM

High-Ability PROGRAM

Congratulations to the Year 5/6 students who participated in the Victorian High-Ability Program (VHAP) this year:

English Course - Zalia Fleri, Elijah Weinert, Toby Scutcheon, Hannah Paton-Jurak, Laini Cawood, Meeka Saleeta, Jesse Burke and Archie Finch.

Maths Course - Max Hollingworth, Hunter Underwood, Max Burgess, Phoenix Roberts, Archie Finch, Kallan Hunt, Loxley Roberts, Jax Louttit, Levi Bailey, Eli Weinert, Ben Pedler, Jack Barnes and Louis Sylvia.

Both the English and Maths courses provided a great opportunity for our high-ability students to extend their learning whilst connecting with students from other schools via WebEx. The courses ran for ten weeks and were delivered by Virtual Schools Victoria, as part of the Education Department's Student Excellence Program. Mrs Hunt, our school's High-Ability Practice Leader, enjoyed working with the students in their weekly VHAP lessons and was very proud of their efforts and engagement.
