Principal Message - Week 1

Welcome to Term 3!

Parents as Partners- Student Portfolios

It was wonderful to see so many families participate in Monday's student presentations of their portfolios! These presentations provide a wonderful opportunity for students to present their achievements over the past term and help direct their goals for the upcoming term. Well done students! If you would like to provide some feedback regarding this process, please don't hesitate to email me (bernadette.warburton@education.vic.gov.au) regarding-

- What went well?
- Do you have any improvements for this process?
- How well did your child engage?

Your feedback would be appreciated. Thank you!

2022 Hattah Desert Race- Congratulations Brock!

The **Hattah Desert Race** was held over the holiday break with riders from all over Australia competing in this well-known motorcycle event. An outstanding achievement for one of our students, Brock Wellington, who came first by an impressive 2minutes in the 9-13 year old 65CC Class division! **Well done Brock!**

"I was heaps nervous the night before. I could not sleep for the life of me, I finally got some sleep and woke up at 5:00 am and got ready for the race. When we got there it was pretty straight forward everything ran smooth until the first pit stop, I came in and revved the bike, when I did that the piston hit the top of the head on the motor and caused a bit of stuff to be on the spark plug. When we finished the pit stop the bike would not start. After getting it going it was running badly which made us worry but after the first corner it was all good. The race ran really smoothly after that"

A Special Visit!

As a community, we have recognised the need for an indoor gymnasium that could accommodate whole school assemblies, provide shelter for P.E activities in the challenging weather, community events and incursions (just to name a few examples!). School Council have tried very hard to pursue such a building for quite some time and due to the magnitude of the cost of such a building, it has been difficult to obtain. Mr Gale has taken on this challenge and organised a conversation with our local member Ali Cupper, to discuss any opportunities that may be available to us. On Tuesday, Mr Gale, Zali, Toby and James (school captains) had a very informative and productive conversation with Ms Cupper about our situation. We look forward to hearing an update soon!

Grade 3/4 Camp

Permission/medical/information forms are going home today. Full payment is due by Friday (next week) 22th July

Respectful Communication at The Lake PS

Parents and carers, students and staff all share responsibility for ensuring that The Lake PS is a positive, respectful, and safe school environment. Adults have a particular responsibility to be mindful of the way in which we conduct ourselves in and around the school, noting that we are the role models that impressionable students look to.

I want to take this opportunity to thank all of you who contribute to the positivity of our school community each and every week. Though I cannot thank each of you individually, I wish to assure you that your efforts do not go unnoticed!

*Parents and carers are always welcome to raise grievances or concerns, but this should be done in an appropriate and respectful manner. If the nature of your query is regarding your child's academic or social/emotional progress, please contact your child's classroom teacher in the **first instance** as they know your child well on a daily basis. If you find the matter or issue cannot be resolved, simply contact the front office and schedule an appointment time with me. I request that parents follow our school policies and procedures and engage respectfully and constructively with staff and all persons you may encounter on **school grounds**, on the **phone**, through **email** and on **social media**. The health and wellbeing of all community members is always a high priority at The Lake PS.*

Thank you for your support.

Have a great week!

Kind Regards, Bernadette

A big welcome back to all students, families and staff! In amongst the business of working, living and balancing a household, I do hope you were able to find some time over the holiday period to spend some quality time with your children. We have an exciting Term ahead with various camps, incursions, sporting events and engaging classroom activities planned to motivate all our students. I would encourage everyone – students, staff and families alike – to remain brave and courageous during these ongoing challenging times and strive to focus on the positives. Let's all work together to make Term 3 a memorable 10 weeks for everyone!

Kind regards,

Shaun McInerney

Worker of the Week' Awards

Congratulations to the following students:

Benji Crossling, Bellazoe Simkin, Parker Burley, Alessandra Rodi, Nate Cooksley, Wes McKinley, Chase Wilson, Poppy Hopkins, Madison Sika, Jack Allen, Kaiden Irons, Levi Bailey, Jada Taylor, Charlee Cramp and Meeka Saleta

P&C News

Welcome back to Term 2. We have an exciting term ahead kicking off with The Lake 'Pie Drive' (fundraiser). Order forms will be sent home on Monday, 18th July and will need to be returned on Thursday, 4th August. Pies will be ready for delivery on Thursday, 11th August.

Unfortunately, we are still having trouble ordering our icy poles, therefore, until further notice, we are unable to supply them. This week's lunch order are pies, sausage rolls and party pies. Maria is looking for some helpers who can spare some time on Thursday morning. The Term 3 roster is in this week's newsletter. Please take a look and if you would like to place your name on the list, touch base with the girls in the office who will kindly help you out.

Our next meeting has changed back to Monday, 18th of July commencing at 7pm in the Open Learning Area. A decision will be made about future meeting times at this meeting.

The five School Values of Tolerance, Respect, Learning, Resilience and Success, reflect the qualities and culture that The Lake Primary School community would like to be known for. To make these values come alive and increase their relevance to the students every day, all students will be given the opportunity to have input into the creation of a school mascot. During the first six weeks of this term, Respectful Relationships class time will be used to learn about mascots and apply this knowledge to create a design of a person, animal or object that represents us. Students will be learning about the disposition of a 'Laker' by identifying how we might act and behave when displaying the values. Students will be bringing home a discussion sheet to share with you, inviting your input.

Keep an eye out for further developments. With the 2022 Birmingham Commonwealth Games only weeks away, check the link: <https://www.insidethegames.biz/articles/1105727/bull-to-be-birmingham-2022-mascot> to learn about how a ten year old school girl created the mascot for the games.

How exciting! With our creative students, I look forward to the flow of ideas.

Happy creating,

Liz Patterson

LUNCH DAY - Thursday 21st July
Orders MUST be in by Tuesday, 19th July
 Pie, Sausage Roll or 3 x Party Pies
\$4.00
 NameClass.....
 Pie Sausage Roll Party Pies

2022 CIRCUS QUIRKUS MILDURA

Due to a myriad of reasons, many children miss out on experiencing the magic of live theatre.

Thanks to the generous sponsorship from businesses across Greater Mildura, Circus Quirkus provides children and young people of all abilities and backgrounds with an opportunity to experience some of Australia's best and wonderfully quirky circus performers in an inclusive, accessible and flexible environment with a relaxed attitude to audience noise and movement.

If you can't attend the live show, watch a professionally filmed version direct from the stage to your screen, with unlimited streaming and on-demand viewing available.
