Another exciting year has passed by and the 2016 edition of The Lake Primary School Magazine clearly showcases another memorable year for our wonderful school. Our enrolments increased to 257 students and this resulted in 12 classrooms for the first time in the school's history. My congratulations to students, staff and parents for their contributions and achievements throughout a hectic year. My particular thanks and appreciation to the hard working editorial team comprising Miss Gunn, Ms Goddard, Ms Arnold, Mrs Bacon and helpers.

New staff members this year included Mr Jack McLean in 4M, Mrs Kate Donaldson in 3D, Mrs Kristie Hunt in the Prep Unit and Ms Michelle Templeton as our new After School Hours Assistant. Congratulations to all staff members for their dedicated professional contributions. It has been a tremendous team effort throughout 2016.

My congratulations to our school leaders Ryan Rigby, Remi Patterson, Taj Stevens and Nikea Champion who have enjoyed the opportunity to lead and contribute. Our 28 Year 6 Graduates now move in to Secondary School with confidence and the skills to ensure a smooth transition occurs. Best of luck students!

2016 commenced with the installation of a brand new 5 Mod double classroom which arrived from Bendigo just in time for the start of the new school year. Two original portable classrooms were removed and a major paving and landscaping project enhanced the walking areas connecting our learning areas. Newly leased notebooks, cloud books and iPads significantly increased the number of units throughout the school. The teachers and students have certainly enjoyed the reliability of this new ICT hardware! The arrival of new Art Room furniture completed an exciting learning space. Term 3 saw a large proportion of time allocated to our School Review process. The new goals and targets will guide our school for the forthcoming 4 years. Thanks to my two Leading Teachers Mr Parsons and Mrs Walsh for their valued support, leadership and excellence in their respective Literacy and Numeracy roles.

My sincere thanks to our Business Manager Robyn Bacon and Admin Assistant Sallie Roelofs who have taken the level of professionalism and support in the office to a new level in 2016. The OH & S Audit was a long and time-consuming process but the 91% ranking was a wonderful outcome. The Compass Student Management system has really become an integral part of our school culture and Mrs Taylor has provided outstanding leadership and support in this area. Learning tasks for each student were regularly inserted online by our dedicated and hard working teachers. This process was capably coordinated by Miss Aghan.

Throughout 2016 the students have enjoyed major trips to Lake Cullulleraine (Yrs 5/6) and Sovereign Hill (Yrs 3/4). The Yr 2's enjoyed their Sleep-over and Excursion Day with the Yr 1's. Mrs Wade has coordinated numerous exciting and worthwhile incursions including the Stomp Dance Group, Rhythm Drummers and the Alpha Show. The whole school theme days were again highly popular and successful. Congratulations teachers! Mrs Bacon organised a Back-to-Front Draw with a Music twist which was lots of fun for all who attended. Our students excelled at Physical Education and a number competed strongly in Regional and State finals.

Junior School Council was coordinated by Ms McNair and Ms Goddard. School Council was once again an active and supportive group capably led by new President Damien Simonetta. The P & C Group achieved some commendable fundraising outcomes and provided awesome support for students and staff.

Finally a huge thank you to all staff members and parents in our school. The students' achievements would not have occurred without the strong, supportive home-school partnership that is a feature of our school. Congratulations and best wishes to all families who may be leaving our school. Thank you for your time and contributions. Congratulations to all concerned for contributing to another amazing school year.

2016 School Captains

Being the 2016 Boys' School Captain has been an excellent experience this year. Getting up every Monday morning and doing assembly has helped me develop confidence speaking to a large group of people. I have had the privilege of going to the GRIP leadership Conference. When being School Captain you don't need to think big, it's the little things make a big difference. Being School Captain this year has helped me become a lot more confident. It has been a privilege to be the 2016 Lake Primary School Captain. Ryan Rigby

Being the girls school captain in 2016 has been a pleasure. I hope I have been the role model and leader I was meant to be to the rest of the school and to my Prep buddies Harry, Harrison and Elka. One day they will hopefully follow in my footsteps. Although some duties as School Captain were very nerve racking, I appreciated every moment of it and couldn't have asked for a better school to represent and lead. Remi Patterson

Being selected as the 2016 Boys School Vice-Captain was one of the best roles I could have ever been asked to be chosen for. From holding Monday assembly to all the kids in the school looking up to me was pretty cool. Another highlight was being able to attend the Grip Leadership Conference, a chance for leaders from other schools to learn about what it means to be a leader. Like I touched on earlier I was honoured to lead this year's school assemblies. It was great to speak at them and definitely get more confident each time I did one and to announce the Workers of the Week was an absolute privilege. Taj Stevens

Being School Vice-Captain has been such a privilege. You get to go places and learn how to grow as a leader. But being School Vice-Captain isn't about being at assembly and speaking to the school or being the person that thanks people for coming to the school. It is more about growing as a leader and not just growing as a person.....your own person. You develop different and unique qualities being School Vice-Captain. It has been so much fun and everyone should be able to have a go at it at some point. Nikea Champion

A message from the School Council President

What a grand and prosperous year 2016 has been. The Lake Primary School has continued to grow from strength to strength. Our student population continues to develop with a prospective enrolment of 275 students for 2017. This equates to a 10 % increase of student enrolments when compared to 2016 numbers.

The additional 5 MOD building that was installed prior to the 2016 school year has greatly improved the amenities within our school and has allowed us to provide a safe and modern facility for the education of our children. Receiving this latest 5 MOD dictated the removal of two older portable buildings that were deemed superfluous by the Education Department. This gave the members of our School Council the opportunity to landscape the area and provide a great looking entrance to our school. Along with the paving and garden beds installed between the existing 5 MODs I believe that the outdoor environment is looking fantastic. At this juncture I would be remiss if I did not acknowledge our groundsman Phil Sheahan and for the wonderful work that he does around the school keeping the grounds in tip top shape. He continually goes above and beyond and his dedication is very much appreciated.

As School Council President, I was fortunate to be involved in this years' Strategic Review that each school is required to complete every four years. As an outsider looking in I found the process to be extremely interesting and ultimately rewarding. Analysing the previous 4 years results against the projected goals provided the reviewing team with the information required to set updated goals for the subsequent 4 years. All in all this process allows the school to look at all aspects of the education they provide and acknowledge areas that may need development. This procedure is another example that displays the amount of work and dedication that the teaching staff and leadership team must go through each and every year to provide the comprehensive education that our children receive.

This past year our students have excelled both in the academic and sporting arenas. For me personally, it is always pleasing to see the students receiving their encouragement awards each and every week as well as being given the opportunity to present their work to the school community. As parents all we can ask of our children is that they complete any task given to the best of their abilities. Public acknowledgement of these efforts can only boost our children's self-esteem.

On the sporting front our pupils have once again represented our school with distinction. Congratulations to all our students involved in the team sports and individual athletics competitions especially those who made it through the interschool rounds and then on to the regional finals. Well done. You have made our school proud. I would like to single out Sebastian Pollifrone for not only representing The Lake Primary School but also the Sunraysia District and Victoria in the National Athletics Championships in Sydney on Nov 25th – 29th this year. Well done and good luck.

From a School Council perspective this past year has been rather productive:

- As mentioned earlier we initiated and approved the paving projects between the 5 MODs and at the entrance of the school.
- With the help of the Junior School Council and a grant from Cristal Mining we were able to install brand new goalposts on our new football oval.
- We are in the process of completing the fencing project at the rear of the school. This was unfortunately put on hold when we hit the main irrigation pipeline one to many times. We are hoping the finish this off prior to the beginning of next year.
- We have finalised the approval process for the carpark project and intend to have the carpark expansion completed over the Christmas break ready for the beginning of the 2017 school year.
- It was noted that the Library was in need of some upgrading and in a unanimous vote the Council agreed to focus all 2017 fundraising efforts to this important project.

2016 has been a fantastic year for The Lake Primary School and I would like to thank everyone involved for the hard work they have put in over the past 12 months. The teaching staff for all the extra time and personal development they do to provide a world class education to our students, Robyn and Sallie and all other support staff for keeping the school running nicely and of course our Principal Rod for his commitment, dedication and management of the great team we have at this school.

I would also personally like to thank all our School Council members as well as the Parents and Community Group for donating their time, expertise and fundraising efforts that contribute greatly to this school and its community. Without their support we wouldn't be able to provide the excellent facilities and equipment that are essential in order to deliver a 21st century education.

I have enjoyed my time as The Lake School Council President for 2016 and look forward to completing my final year as a School Council member in 2017.

Sincerely, Damien Simonetta

Parents & Community Group

In 2016 we have enjoyed the opportunity to share the position of President. Both of us are busy working mums, however having each other as support has allowed this year to run smoothly. We are at opposite ends of our Primary School experience so having two different perspectives allows the whole school to benefit.

Of course we are extremely lucky in that The Parents and Community group's core is very supportive, and is a great little team. We would sincerely like to thank all those who have attended our monthly meetings. We have enjoyed your company and ideas, but your support has been invaluable! A special mention to our fellow office bearers, Bonney and Elissa. Thank you for putting your hand up and taking on these positions. Your commitment is greatly appreciated. A massive thank you Andrea and Erin, for constantly being there willing and ready to take up the slack.

To Robyn and Sallie. Thank you for always having our back! We think ourselves very fortunate to have you.

Lunch order days continue! This is only possible because of our incredible volunteers. Thank you to all of those who helped make our children's lunches this year, all of us are very grateful. Also a mention to the group of parents who helped out at our annual Bunnings BBQ, it can't happen without your support.

Raising funds and supporting our great school is what P&C is all about. This year we funded incentives such as the Spirit Cup. We have provided learning aids such as hover cams, computer equipment, math learning aids and lots of reading books. Items like sports equipment and uniforms help our children continue to be competitive in a range of sporting activities against other schools in the district. We purchased the school house flags which looked great at our sports days this year as we expanded to four houses! Our beautiful graduation gowns are items P&C supply to help make our grade 6 graduates really feel and look the part.

We have also been working with Robyn as the new outdoor area comes together. 2017 will be a very exciting time!

We have made many new friends and had a great time this year. May you all have a wonderful Christmas and a safe relaxing summer break.

Karalee and Kylie

From the office ladies

Sallie and I would like to take this opportunity to thank our families for popping into the office from time to time. We love the contact we have with our students, parents and grandparents. It's been another big year in our fast growing school, but we always find laughter and humour gets us through.

We would like to wish our school community an awesome Christmas/Holiday period and that you all return safe and sound for another year.

Mother's Day 2016 Prep A

Mother's Day 2016 Prep Z

Our major fundraising function for 2016 was a "Back to Front Music draw" held once again at the Trinity Lutheran school. Attendees were able to dance the night away whilst being given the opportunity to win \$1,000 prize money. A raffle was also conducted with a houseboat holiday as the major prize. Classroom artwork was auctioned off at the function.

We raised \$9,000 this year—proceeds go directly to purchase things for the students. That's why we do it..."all for the kids"

Junior School Council

Congratulations to our 2016 Junior School Council representatives. You represented your grade brilliantly and helped to organise a number of fundraisers and special events throughout the year. The money raised went to various charities and towards the purchase of equipment for the school. Great work everyone!

Earth Ed Visit

Peter from Earth Ed talked to us about global warming. Greenhouse gases are preventing the Sun's rays from escaping the Earth's atmosphere. Therefore we investigated waterpower, solar power ovens, wind power solar power and other alternative power sources. Ryan & Antonio

What I loved about the Earth Ed day activities was reflecting the sun off the mirrors and directing it to one single point to increase the temperature of the heat pad. Ruben & Quinn

One of my highlights of the year was when Peter came and taught us Earth Ed we learnt how to burn leaves and bark. He gave us these guns and we got to check the temperature of many hot things. Near the end we all sat in a circle and we got a mirror we got to make the temperature really high. Our temperature was 46 degrees. Milla & Esta

Aladdin

On Tuesday the 24th of May, the Alpha Show came to our school. They performed in the Multi Purpose Room. The whole school got to watch Aladdin.

After lunch we all took our bags to the Multi Purpose Room. We squished in and started to watch the show. One of the funniest parts was when the Genie gave Miss Gunn a rose and said, "Ooh, la, la." There was also a great sword fight in the show. Aladdin and Jafar were fighting with real swords. Aladdin won. At the end Aladdin and Jasmine fell in love and had a big, mushy kiss.

We really loved the show. The characters were funny and the singing and dancing was awesome!

RECIPES

Pizza

- 4 x 15cm wholemeal Lebanese breads
- 1/3 cup (95g) salt-reduced tomato paste
- 100g 97% fat-free sliced ham or chicken breast
- 2 ripe tomatoes, finely chopped
- 1 red capsicum, seeded, finely chopped
- 8 button mushrooms, thinly sliced
- 1 cup (80g) coarsely grated light cheddar

Step 1

Preheat oven to 180C. Place the bread on oven trays. Spread the tomato paste evenly over each pizza base.

Step 2

Arrange the ham or chicken, tomato, capsicum and mushroom over each base and sprinkle with cheddar.

Step 3

Bake for 8-10 minutes or until crisp and the cheddar melts. Serve, eat and enjoy!

Chicken Pasta Bakes

- 2 large (about 500g) chicken breast fillets
- 1 1/2 cups (175g) small dried penne pasta
- 260g butternut pumpkin, seeded, peeled, cut into 2cm cubes
- 1 cup (150g) frozen peas
- 1 cup (70g) broccoli florets
- 1/4 cups (310ml) tomato pasta sauce
- 1/2 cup (40g) coarsely grated light cheddar

Step 1

Preheat grill on high. Cook the chicken under grill for 6-7 minutes each side or until cooked through. Set aside for 10 minutes to cool slightly. Coarsely chop and place in a large bowl.

Step 2

Meanwhile, cook the pasta following packet directions until al dente.

Step 3

Cook the pumpkin in a large saucepan of boiling water for 10 minutes. Add the peas and broccoli and cook for a further 1 minute or until tender.

Step 4

Preheat oven to 180°C. Combine the chicken, pasta, pumpkin mixture and pasta sauce in a large bowl. Divide among four 2-cup (500ml) capacity ovenproof dishes. Sprinkle the cheddar over each dish. Bake for 15 minutes or until heated through.

RECIPES

Caramel Popcorn Lions

- 2 tablespoons Vegetable Oil
- 1/4 cup Popping Corn
- 1 1/2 tablespoons Golden Syrup
- 1/2 cup Caster Sugar
- 45g Butter
- 1/2 cup (75g) White Chocolate Melts
- 2 x 34g packets Peppermint Lifesavers
- 16 red Smarties
- 9 x 4cm-long pieces Liquorice Strap
- 50g tube Black Writing Icing

Step 1

Line eight holes of a 1/3 cup-capacity muffin pan with paper cases.

Step 2

Heat oil in a large saucepan over medium heat. Add 2 pieces of corn. Oil is hot enough when corn turns slowly in a circle. Add remaining corn. Cover with a tight-fitting lid. Shake saucepan gently when corn starts to pop. Remove from heat when corn stops popping. Pour into a large heatproof bowl. Discard un-popped corn.

Step 3

Place golden syrup, sugar and butter in a saucepan over medium heat. Cook, stirring for 3 to 4 minutes or until sugar dissolves. Bring to the boil. Boil for 4 minutes or until golden.

Step 4

Working quickly, pour caramel mixture over popcorn. Stir to coat. Divide mixture between paper cases. Using the back of a spoon, press down to flatten tops slightly. Set aside to cool.

Step 5

Reserve 8 chocolate melts. Place remaining melts in a microwave-safe bowl. Microwave on high (100%) for 1 to 2 minutes, stirring every 30 seconds or until melted and smooth. Spread a little melted chocolate on 1 side of 2 Lifesavers. Using picture above as a guide, position Lifesavers on 1 popcorn mixture to form eyes. Top Lifesavers with a little chocolate and position Smarties on top. Spread flat side of 1 reserved melt, with a little chocolate. Position in the centre below eyes.

Step 6

Cut 1 piece of liquorice into 8 x 5mm triangles for noses. Cut remaining liquorice pieces in half lengthways. Leaving 5mm at 1 end of 1 piece, cut lengthways into 3 even strips. Repeat with remaining liquorice pieces. Spread 2 uncut ends with a little melted chocolate. Slide under chocolate melt to form whiskers. Spread 1 triangle with a little remaining chocolate. Position triangle on chocolate melt to form a nose.

Step 7

Draw eyes on Smarties and mouth on melt. Repeat with remaining popcorn mixtures, melted chocolate, Lifesavers, Smarties, Melts, Liquorice and icing. Set aside to set. Serve.
