Principal Message - Week 6

Another Demonstration of Student Resilience!

Congratulations to Molly Symes, Jax Louttit, Jada Taylor and Adelyn Cohrs for receiving their Principal Award and school vales wristband! Thank you for your patience and resilience in finally receiving your special award 😊

A Cold but Successful Day at St. Arnaud!

Congratulations to *Eli Weinert, James Brice, Charli Hopkins, Sophie Puleio, Jada Taylor, Keith Alexander, Isobel Scutcheon and Savannah Wandel* who represented The Lake PS at the Regional Cross Country day on Tuesday! Well done Lakers, we are very proud of your efforts! Thank you to Mrs. Taylor and our families who made the trip to support our students. 😊 More details over the page!

Harrison's Great Idea!

Harrison would like to share that he has found some socks that match our school uniform! These are available from **Best & Less for \$6.00** and could be worn on sports days. Thanks Harrison!

Pre-loved Clothing Sale

A big thank you to our year 5/6 students **Max Hollingworth, Holly Keil, Emison Farr, Charlee McClure, Katie McKinley, Maddie Goudie, Livia Birnie and Ruby Gaulke** who helped with the sale of our pre-loved uniform clothing! There was a big response from families in need of stocking up on school uniform articles with over \$200 raised!! Thank you also to the families who donated clothing to our sale. 😊 These funds will contribute to a brand new 'cricut' machine that will enhance our student's flair at cutting all sorts of designs from materials like paper, vinyl, card stock, and iron-on transfers!

Friday 3rd June- Pupil Free Day

A reminder that tomorrow, Friday 3rd June is a Pupil Free Day and all staff will be working offsite on this day. Have a wonderful first week of Winter!

Kind Regards,

Bernadette

Wk.6 School Value - RESPECT

This week's school value is 'Respect'. Can you imagine a world where every single person had respect for both themselves and others? Can you imagine how different things would be? In general, our students (and staff) are very respectful at school. At times, when disrespect is shown, it is our responsibility to acknowledge this and have a conversation. After all, behaviour that is walked past is behaviour that is accepted. We will not accept disrespect, at

any level, at The Lake Primary School. We know that consistent modelling is vital in order to demonstrate to students the correct ways to behave, not only at school but also in the wider community. Our actions, and the actions of those people that our children associate with, set the standards and shape the behaviours that are considered 'normal'. We want to normalise respectful behaviours so that our students, in turn, become respectful citizens themselves.

Division Cross Country

On Tuesday, eight Yr.3-6 students competed in the Division Cross Country event in St. Arnaud. Although the weather was cold and windy, our students attacked the rugged and undulating course with vigour and determination. Congratulations to all students for having the courage to 'step up' and test their skills at this higher level. Thank you to our dedicated families who took the time to give our students this opportunity – an opportunity that not only tests running skills but builds character and strengthens resilience.

9/10yr girls

Savannah Wandel - 18th
Isobel Scutcheon - 59th

9/10yr boys

Keith Alexander - 37th

11yr girls

Jada Taylor - 30th
Sophie Puleio - 32nd

12yr girls

Charli Hopkins - 14th

12yr boys

Eli Weinert - 21st
James Brice - 41st

wellbeing

Our school have teamed up with Marg, from Mallee Family Care, who offers a great program called 'Bringing up Great Kids'. This program differs from many other parenting programs in that it is reflective on how you parent and why your children are the way they are. The program focuses on brain development and responding as best we can.

'Bringing Up Great Kids' is a reflective, mindful, respectful program that provides parents with an opportunity to reflect on their parenting journey. 'Bringing Up Great Kids' provides a friendly and safe environment for parents to learn from each other as they continue their parenting journey.

We are looking into a few options for this program and an 'Expressions of Interest' form will be sent home in the coming weeks. I know, as a parent, I am always looking for ways I can improve my parenting skills and my journey and look forward to sharing this with you if you are able to attend. Please keep your eyes out for further information and an 'Expression of Interest' form.

With much kindness,

Miss Louise

Worker of the Week' Awards

Congratulations to the following students:

Jacob Mooney, Lexi Giddings, Zac Dichiera, Hamish Thompson, Chantae King, Ryley Bailey, Jaynah Bowes, Zara Eagle, Zac Mayes, Harlen Saleta, Maz Mannix, Phenix Robertson, Finnegan Brown and Lilliana Ward,

Prep News

This term, the Preps are learning about Community Helpers. On Tuesday, 31st May, Officer Jake came along to school to talk about his role as a Police Officer. It was a wonderful experience for our students and some highlights included seeing the police car, hearing the loud siren, and having a go at wearing Jake's special vest.

3/4C News!

Recently, students in 3/4C have been learning about writing an information report. Each student chose an Australian animal to research before they began writing their draft reports this week. We would like to share some interesting facts with you.

- Did you know that an eastern grey kangaroo can survive without a drink of water for several months?
- Did you know that emus are the second largest bird in the world? They can grow up to 2 meters tall.
- Did you know the sugar glider is nocturnal and can live for up to 9 years in the wild?

P&C NEWS

Just a Reminder that Money and unsold 'JOLLY SOCKS' to be returned by the **17th of June 2022**

Thank you to OUR LUNCH LADIES today for lunches of Hotdogs I'm sure the kids loved them
