Principal Message - Week 2

Staffing Update - Welcome Mrs Patterson!

On Monday, Mrs. Liz Patterson joined our staffing team in the role of mental health which is part of a new DET initiative. Mrs. Patterson will work closely with Miss. Louise to provide additional support for our students, staff and families and will also facilitate some Respectful Relationships classes. Welcome Mrs. Patterson 😊

NAPLAN 2022

Students in Years 3-6 will participate in the NAPLAN assessments commencing next Tuesday 10th May. All students will complete NAPLAN online this year with the exception of the Year 3 writing assessment. Please remind your child that, although we expect each student to do their very best, this is only one of the assessments that we use to track student progress. Students will participate in numeracy, reading, writing and language convention assessments from Tuesday to Friday next week. All the best to our students!

DET Updates

We have been fortunate to receive an additional 12 air purifiers this week which will further assist in supporting our COVID-safe measures indoors. All classrooms are currently equipped with an air purifier and the additional air purifiers will be placed in office spaces, meeting areas and the front office.

Cross Country

With perfect weather conditions, staff, students and families enjoyed this year's whole school cross country event! Congratulations to every single student who participated and did their best in the running events - we are very proud of your efforts! A special acknowledgment to our ribbon recipients in all age events and to our two record breakers - Lucy

McCully (1min 6sec) and James Caruana (1min 7sec). Well done! 😊 Thank you to Mr. Gale and Mrs. Wall for a truly well organised and fun day! Also, a special mention to our student leaders who did an amazing job in supporting other students, encouraging participation and cheering students on! Well done Lakers!

Curriculum Day - Friday June 3rd

This Term's **Curriculum Day** will be held on **Friday 3rd June** and therefore students will not be required at school. Our professional learning will be held offsite this Term and will focus on student voice and agency, school values and the completion of First Aid for all staff members. Please note this date on your calendar.

Dolly's Dream Day

Next Friday, we will recognise Dolly's Dream Day. All students are encouraged to come dressed in blue (Dolly's favourite colour). Dolly's Dream is focussed on anti-bullying and our Year 5/6 students have been discussing this during leadership. We will be having a fundraiser for Dolly's Foundation - watch this space for more information. In the meantime, please save your loose change and whatever you do, do it with kindness.

With much kindness,

Miss. Louise

1/2B News

The students in 1/2B have had a wonderful start to term 2. This term, the Year 1/2 Unit are learning about waste. This week, 1/2B had the opportunity to collect and sort their daily rubbish. For some students, it was an eye-opening experience to see how much waste is produced in a single day. Many students were disappointed to see how much food was discarded. It was wonderful to hear student conversations about how they would try to reduce their rubbish in the future.

P&C NEWS
