**25/04/2024**

Anzac Day Public Holiday

## Principal Message – Week 8

**TOLERANCE RESPECT SUCCESS LEARNING  
RESILIENCE**

### Enjoy a Well-deserved Break!

We have enjoyed a very successful and fulfilling Term 1! Over Term 1, our community has been a part of many fun and important activities and milestones, such as- *creative writing pieces prompted by the 'mysterious crate', our Community Evening, the Richmond Football Club visit, kite making, Harmony Week activities, World Sleep Day, NAPLAN, Ride2School Day and our fantastic fundraising efforts to purchase new classroom furniture!* (just to name a few!). Thank you all for your contribution to make The Lake PS the best place to be for your child's learning journey! We look forward to making more school improvements with you in Term 2!

### Breakfast Program

Our breakfast program at The Lake PS ensures students are ready to start their learning in a positive and engaging way! Research states that when children eat breakfast it-

- Enhances memory and attention.
- Improves academic performance.
- Promotes better eating habits throughout that day.
- Improves physical health &
- Improves mental health and wellbeing!

**On Wednesday, more than 60 students enjoyed hot fresh pancakes!** The chefs were very clever and created some pancakes in the shape of teddy bears, snowmen and even cows! Ms. Warburton requested a special pancake- can you guess what it is?? (*the Eiffel Tower...!*)

A big thank you to **Miss Vickie, Mr Roelofs, Miss Janelle** and our parent helpers, **Marnie Cohrs and Emma Stephenson** who have made this important part of the day available to all students on Monday, Wednesday and Fridays! A special thank you to Emma for donating a hotplate to our Breakfast Program along with some pancake mix for yesterday's brekky!

### Year 5/6C Classroom Currency Entrepreneurs!

**There are some very clever business boys and girls in 5/6C!** You certainly have a great range of goods to sell! Great creative thinking students!

*"Our shop is very cheap and affordable for everyone. The lollies are a big hit and we have so many different kinds. We love our shop and can't wait to get more sales in term 2". Isla & Zara*

*"My shop sells 3D printed fidgets! It takes a while to print but is very much worth it! I've made up to \$41". Lexxi Ryan*

*"My shop has lots of goodies like lollies, easter eggs, zappos and more like fidget toys, pictures and more. I've made \$100 and trade for other items with others".*

**Jack Allen**

*"Our shop is made by things that we bring in from home and to keep track of who bought what, we can see as we have written down the item and the name. We sell textas, lollies, footy cards and Disney cards". Bailey & Flynn*

## Easter Raffle- Congratulations to Our Winners!

Thank you to our families who made a donation to our Easter raffle! We appreciate your generosity to fundraise for new furniture throughout the school! **Our tally as of today is \$1,400 profit!!**  
Thank you!

## Parents as Partners- Interview

It was wonderful to see so many parents/carers come along to our Term 1 Parent/Carer school interviews on Tuesday! Our partnership with you is highly valued and we appreciate the time you made to discuss your child's progress and the opportunity to develop school goals for Term 2!

*Wishing you a very Happy Easter! I hope you enjoy spending some time with family and friends over the holiday break 😊*

Kind regards,

*Ms. Warburton*

**'Every Student Matters, Every Moment Counts'**

**Take pride in being a 'Laker'- aim for 97% attendance or above!**

## **A great opportunity to connect with your children**

The 'to do list' is always big for us adults. Have you ever found though that no one seems to have a bigger 'to do list' than children when it is bed time? Because of this, bed time is the perfect way to have some meaningful connection time with children! This is the time most children will happily share things about their day, talk about their feelings, talk about their goals, their dreams and possibly even their secrets. And if you run out of questions you could play a quick game of 'Would You Rather'. There are some fabulous questions on Google. We hope these few minutes will help you  
fell more connected.

With much kindness,

Miss Louise and Mr Mac

## PE News -

What a wonderful turn out for National Ride2School Day last Friday! It was great to see so many students being active on their way to school. In other PE news, all students have been undertaking Cross Country practice in preparation for our school event on Tuesday, 23rd April! Throughout the term, the Year 3-6 students have also been learning rugby skills and the Preps have been practising jumping, throwing and catching. The Year 1/2 students have been having lots of fun learning how to jump rope! Have a look at all those happy faces in these skipping photos 😊

## Worker of the Week' Awards'

Congratulations to the following students:

*Jarvis Congress, Kane Giddings, Candace Cumming, Elise Larwood, Estelle Ormesher, Siera Arici, Layne Babler, Amelia Duncan, Spencer Sharpe, Andi Tegart, Kye Fitzgerald, Hannah Shaw and Eliza Ramsay.*

## Netball

Looking for interested girls in playing.  
under 9 netball (born 2015 or 2016,  
can be 2017 if needed),  
Wednesday afternoons 4.30pm  
at Mildura South Precinct
