

CHILD SAFETY REPORTING OBLIGATIONS POLICY

PURPOSE

The purpose of this policy is to ensure that all staff and members of our school community understand the various legal and other reporting obligations related to child safety that apply to **The Lake Primary School**. The specific procedures that are applicable at our school are contained at Appendix A.

SCOPE

This policy applies to all school staff, volunteers and school community members. It also applies to all staff and students engaged in any school and school council-run events, activities and services such as The After School Hours Care program.

POLICY

All children and young people have the right to protection in their best interests.

The Lake Primary School understands the important role our school plays in protecting children from abuse including:

- Physical abuse
- Sexual abuse (including sexual exploitation)
- Family violence
- Emotional abuse
- Neglect (including medical neglect)
- Grooming

The staff at **The Lake Primary School** are required by law to comply with various child safety reporting obligations. For detailed information about each obligation, please refer to [Identifying and Responding to All Forms of Abuse in Victorian Schools](#).

At **The Lake Primary School** we also recognise the diversity of the children and young people at our school and take account of their individual needs and backgrounds when considering child safety.

Mandatory Reporting

Principals, registered teachers, registered medical practitioners, nurses and all members of the police force are mandatory reporters under the *Children, Youth and Families Act 2005 (Vic)*.

All mandatory reporters must make a report to the Department of Health and Human Services (DHHS) Child Protection as soon as practicable if, during the course of carrying out their professional roles and responsibilities, they form a belief on reasonable grounds that:

- a child has suffered, or is likely to suffer, significant harm as a result of physical abuse and/or sexual abuse, and
- the child's parents have not protected, or are unlikely to protect, the child from harm of that type.

A mandatory reporter who fails to comply with this legal obligation may be committing a criminal offence. It is important for all staff at **The Lake Primary School** to be aware that they are legally obliged to make a mandatory report on each occasion that they form a reasonable belief that a child is in need of protection and they must make a mandatory report even if the principal does not share their belief that a report is necessary.

At our school, all mandated school staff must undertake the *Mandatory Reporting and Other Obligations eLearning Module* annually. [OPTIONAL: We also require/encourage all other staff to undertake this module, even where they are not mandatory reporters].

For more information about Mandatory Reporting see the Department's *School Policy and Advisory Guide*: [Child Protection – Reporting Obligations](#).

Child in need of protection

Any person can make a report to DHHS Child Protection (131 278 – 24 hour service) if they believe on reasonable grounds that a child is in need of protection.

The policy of the Department of Education and Training (DET) requires **all staff** who form a reasonable belief that a child is in need of protection to report their concerns to DHHS or Victoria Police, and discuss their concerns with the school leadership team.

For more information about making a report to DHHS Child Protection, see the Department's *School Policy and Advisory Guide*: [Child Protection – Making a Report and Four Critical Actions for Schools: Responding to Incidents, Disclosures and Suspicions of Child Abuse](#).

At **The Lake Primary School** we also encourage all staff to make a referral to Child FIRST when they have significant concern for a child's wellbeing. For more information about making a referral to Child FIRST see the *School Policy and Advisory Guide: Child Protection – Reporting Obligations*.

Reportable Conduct

Our school must notify the Department's Employee Conduct Branch (9637 2594) if we become aware of an allegation of 'reportable conduct'.

There is an allegation of reportable conduct where a person has formed a reasonable belief that there has been:

- a sexual offence (even prior to criminal proceedings commencing), sexual misconduct or physical violence committed against, with or in the presence of a child;

Review and updates will take place annually (responsibility – Principal)
