Principal Page

I did the principal page because I thought It would be a very fun subject and a good challenge and to find out why Mr Mac became a principal and what he had to do.

Q. How long have you been a Principal?
A. 10 years since 1993.

Q. Why did you become a Principal?
A. The Previous Principal retired and I was next in seniority so the next day I got the job.

Q. What is the most embarrassing thing that has happened to you as principal?
A. The song I did on Friday the 25/10/02 the musical.

Q. What is your favourite song?
A.50's-60's Rock and roll and a song called the Huckle buck.

Q. What was this school like when you first came here?
A. It was a small school with about 80-90 children and 4 classrooms.

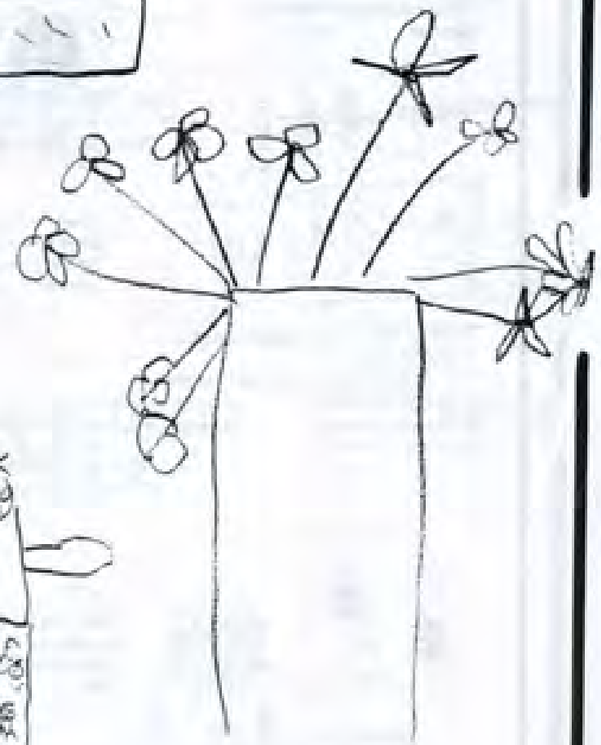
We performed the 'Aussie Bush' song at our Outback concert.
We wrote about our experiences at the concert.
We had so much fun!

THE AUSSIE BUSH

There were snakes, snakes
Eating lamington cakes
In the bush, in the bush
There were snakes, snakes
Eating lamington cakes
In the Aussie Aussie bush.

Chorus:
We are all Aussies through and through
We love the bush we really do
We love the bush
We do, we do.

There were flies, flies
Eating our meat pies
In the bush, in the bush
There were flies, flies
Eating our meat pies
In the Aussie Aussie bush.



There were crocs, crocs
Wearing Collingwood socks
In the bush, in the bush
There were crocs, crocs
Wearing Collingwood socks
In the Aussie Aussie bush.

There were ants, ants
Crawling up my pants
In the bush, in the bush
There were ants, ants
Crawling up my pants
In the Aussie Aussie Bush

ICE AGE!

"Look out, here comes the Ice Age!'
"How do we know it's an Ice Age?"
"Because of all the ice!"

Get ready for some excitement. Sid is a Sleuth and can't look after anything, especially himself. Manni is a Mammoth and always minds his own business. They are trying to take a baby back to its parents. "We should return it!" said Sid. But Manni doesn't think that it is a good idea. Diego the Sabor Tooth Tiger has a plan. He is taking Manni and Sid to the baby's parents, well that's what Manni thinks. Will Diego take Manni, Sid and the baby to its parent or not?
Find out in the movie called
ICE AGE!

Lilo and Stitch

Lilo and Stitch is about a girl called Lilo who is extremely lonely and just wants a friend. One day her sister lets her get a pet from the pound. She comes across a strange creature that she likes a lot. She takes him home and names him Stitch. Stitch obviously doesn't know any manners so Lilo teaches him, she teaches him to sit at the table and to be nice to people. But what she doesn't know is that Stitch is an alien from outer space that escaped from a community space ship. Stitch accidentally crashed his space ship on earth in Hawaii. The space ship community have sent guards to rescue Stitch and take him back to space. Watch the movie to find out if Lilo will find the friend she wanted. Will they be able to stay together?

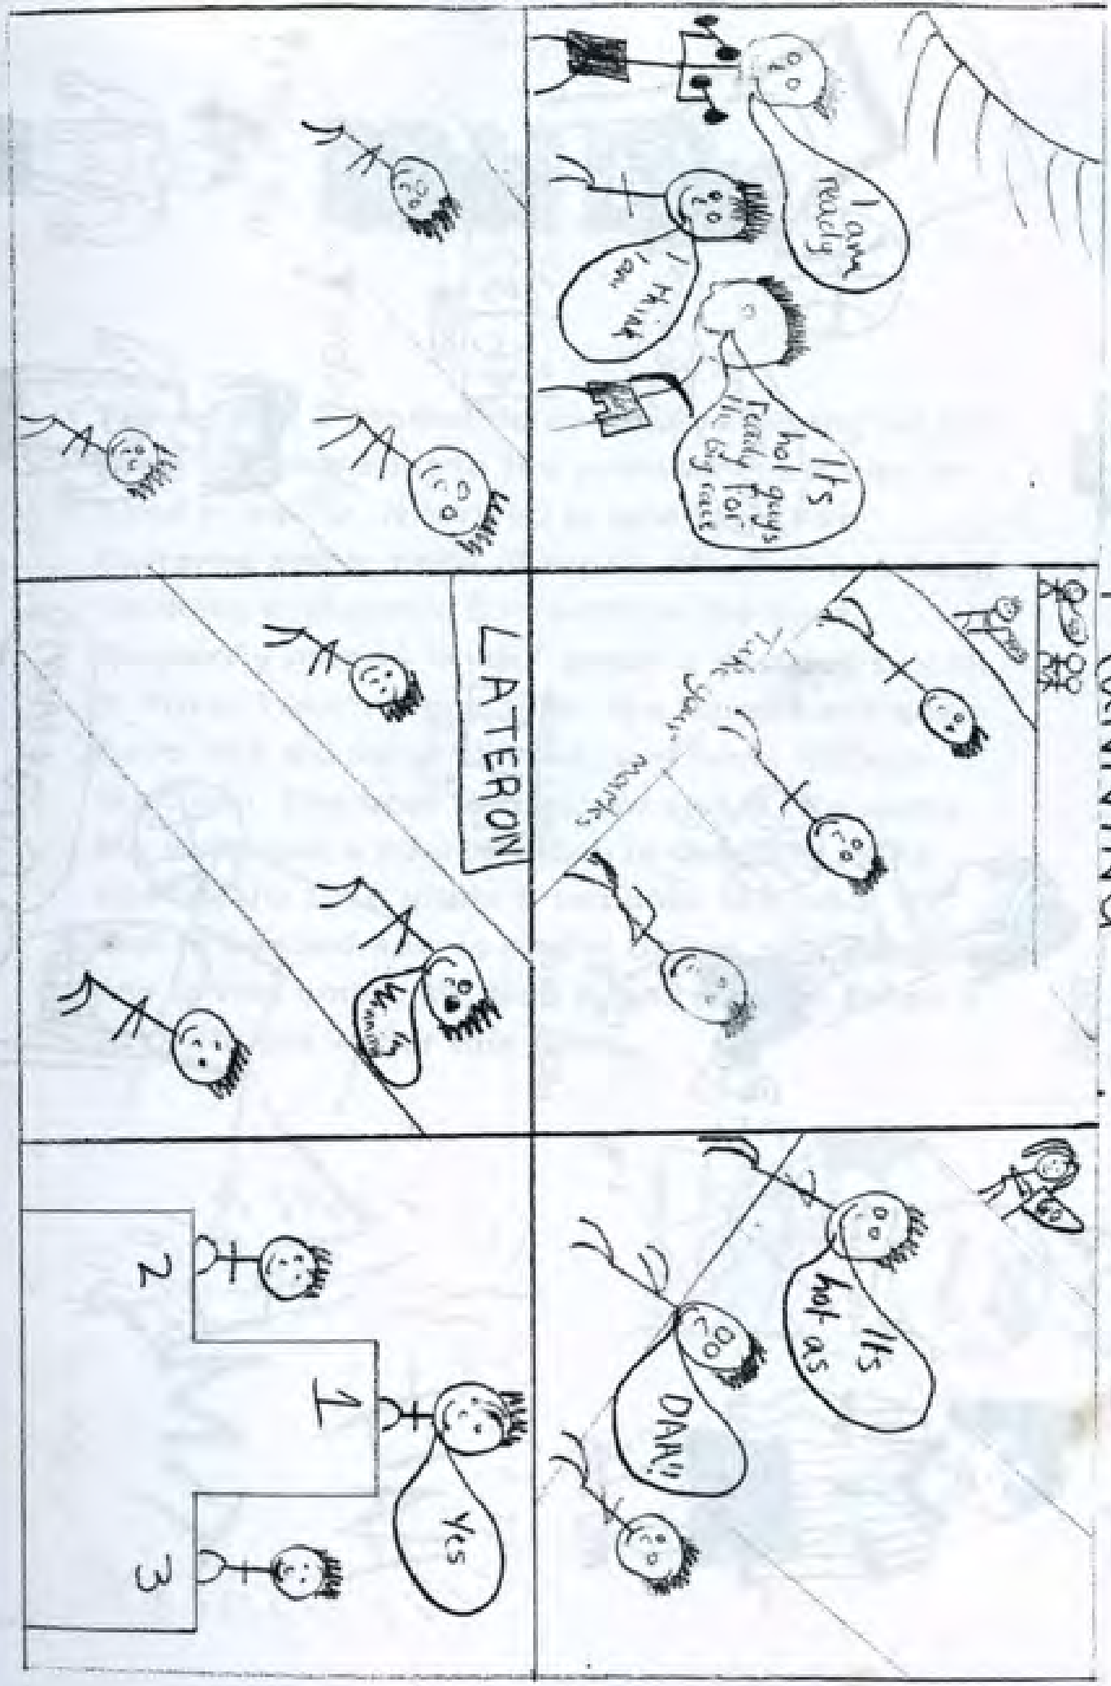
My Big Fat Greek Wedding!

My Big Fat Greek Wedding is about a thirty year old woman who is single and her family are starting to think that there is something wrong with her. Her family want her to marry a Greek person but when she finally meets someone, he is not Greek. She gets worried because she doesn't know if she will be allowed to marry him. They form an idea to baptise him so that they will be the same religion. Watch the movie to find out if they can get married and to see if she gets the simple wedding that she wants.



Rikki Lake

Since term 2 grade 6 have been restoring an old army training boat to the point where it can be used to sail in. It arrived in late term two battered and in need of repair. Mr. Bell has been working with grade 6 to restore the boat. Originally named "Rikki" grade 6 decided to call it "Rikki Lake". Since then, the holes have been fixed, the old mast sanded, and rusty fittings replaced. The boat is ready to sail in. Recently Mr. Bell took a course down in Geelong so he can legally take grade 6 out onto the lake. All that is needed now is a new trailer, since the old one is two small. Mr. Bell hopes to take grade 6 out onto the water this term.

Recorder 2002

During this year Ms Kerridge and Mrs Sutherland have been operating two recorder groups. In Ms. Kerridge's group there are 7 members, Kaitlin Morrison, Rebecca Wouters, Michelle Higginbotham, Teagan Bell, Cassie Lloyd-Jarvis and Alister Slaiter. In Mrs Sutherland's group there are 4 girls, Sarah Logan-Jess, Erin Wallace, Jenny Cruise and Carly Sutherland. There have been a few performances during the year, Mrs Sutherland's group went in the Eisteddfod and did very well, and they also performed at the bike race in Merbein. This year both groups performed in the Lake School Outback musical, playing Botany Bay and Click go the Shears. The groups hope to perform at the end of year function on Wednesday the 18th of December.

Aussie Sports

The year tens from Merbein High School came and took us for Aussie Sports. Over a six week block. We had it every Wednesday afternoon.
We played hockey, netball and kickball.
Their names are Courtney, Joe, Lisa, Rebeccar, Ritchie, Brad, Gitano and Melissa. The boys took the boys last time and the girls took the girls. We have not had the year tens for a couple of week because of school camps. They are good sport teachers. The girls have not taken the boys yet and the boys have not taken the girls yet.

The New Toilets

The new toilets are a great success. The new toilets are in front of the grade 5 and 2-3 rooms. The old art shed was removed to make way for building the new toilets. They started to be built during the holidays between terms 2 and 3. They were finished by the end of term 3 and were officially opened on Sturt and Chaffey day.

The old toilets were taken away during term 4. They had been there since 1996. Now in place of the old toilets is going to be a shade and BBQ area.

Buddies

Every second Wednesday grade 5's and preps have buddies. We do all different activities with our buddies. These are some activities we have done:
Pirate party, Show activities/show Olympics, Teddy bear picnic, Reading, Art, mother's day activities, Easter activities and tabloid sports.
We have buddies so preps can have friends in older grades and if they're lonely in the yard at recess or lunch we can find them friends. We changed buddies in the middle of the year. We also have them so the grade fives know the younger students and it teaches us patience and responsibility.

Junior School Council

The Junior School Council is a group of students who help raise money for special causes like the leukemia. In each class there is 2 representatives except grade 6. Mathew Higginbotham is the president, Cary Sutherland is the secretary and Laura is the treasurer. So far this year we have done the longest tennis ball throw and the longest footy kick. If you won you got a fredo frog and a lolly pop. We also did the shave for a cure and coloured our hair. So far this year we have raised $1087.00.

Lightning Premierships

The Lightning Premiership tryouts were held on Thursday 4th July 2002. Four other schools including The Lake participated. Everyone got to choose which sport they would most like to play. These sports were netball, football, hockey, soccer and volleyball.
Once everyone had decided which sport they would like to play, we all went to the courts and got under way. It took most of the day trying to find who should represent the schools sports teams, but in the end the students were told if they were successful or not.
The netball team was able to have an A and B team as there was so many girls. Most of the grade 5's and 6's from our school got into netball.
If someone did not get chosen for the team in the sport that they liked they had a chance to get picked for another, so most people got chosen for a sport.
After everyone knew what sport they were competiting in they organized their uniforms and equipment. Then went back to school.
Three weeks later the Lightning Premierships were held at Quandong Park Red cliffs. Everyone went to the sport they were playing and got ready to start.
After playing a certain amount of games the netball A team got into the semi-finals, but was beaten by St Pauls. The same happened for the B team. In the football our team got to the grand final but was sadly beaten. In the soccer and volleyball we won a couple of heats but did not quite make it to the finals. The hockey team, was able to get into the semi-finals, but was unsuccessful.
In the end our school did an excellent job to get as far as they did. By Lauren Hepworth Grade 6

Outback the Musical

On Friday the 25th of October our school went to the art centre to have an Outback performance. The theme was based on the Year of the Outback. It started at seven pm and went till nine pm. The performance started off with the whole school singing Sun Arise and then the preps came on and sang Happy Little Vegimites. Grade 1 did a line dance, Grade 1/2 sang I'd love to have a dance with, Grade 2/3 did a great Outback song called drovers dream. Grade 4 did a poetry fest and grade 5 did a play of how Mc dougall topped the score. Grade 6 did Hey Outback. It took a lot of practice for all the grades and it turned out great. The people we have to thank for all this are the teachers, Steve and all the families for attending. It was great and I enjoyed it.

Cluster Sports

The Merbein Cluster Sports are very similar to our schools Sturt and Chaffey Day. It consists of five schools. These are The Lake, Our Ladys, Merbein South, Merbein West and Werrimul. Everyone trains hard so they can compete in the various events, such as high jump, long jump, triple jump, sprints, distance running, shot put and throwing.

The day was held on September 11th 2002, and was run at Kenny Park Merbein. The day kicked off at 9 o'clock am.

Everyone from prep to grade 6 competed. We were broken up into our age groups so it worked out that each group was all in a separate sport, we then rotated around.

If you jumped or threw as certain distance or ran a certain time you would be given a 1, 2 or 3. The best ones won a prize.

The sprints had heats for each age group and then at the end of the day, the friends and parents watched the children race in the finals.

After they were held each age group elected their fastest runners and they ran in a relay.

At the finish of the day all of the scores were added up and averaged out for the number of children in each school. In the end the winners of the Merbein Clusters sports day was The Lake and Werrimul!! We all did an excellent job and everyone who competed all deserved to win.

GRADE SIX ORIENTATION DAY 2002

On Tuesday the 10th of December it was Orientation Day and the grade sixes went to their chosen High School for the day. I went to Merbein Secondary College for the day and the first thing we did was have an assembly in the Gym. We were sorted into our form groups for next year then we went into a room with our form teachers so they could tell us what was happening today. We went on a tour of the school and then we had another assembly about the music program and what musical instruments we can learn next year. We had recess then we went to our first class. During the day we had four different lessons, some of them were Computers, English, Art, Technology, Health, Science and Maths. We had two classes and then lunch, where we listened to the Merbein Secondary College Bands. We had two more classes then it was time to go home. Everyone had a great day.

Grade Six Melbourne Trip

On the 18th to the 22nd of November 2002 the grade six class went to Melbourne for there school camp. We went to several places they were: The Melbourne aquatic centre, St Kilda beach, The Melbourne Zoo, Telstra Dome, The Science Works, The Planetarium, The Melbourne Museum, IMAX, Queen Vic Market, Crown Casino (Only to see the water fountains), The Aquarium And finally the Rialto Towers. We Stayed at the Moomba Park Primary School. The Moomba Primary was alright because it had a heated pool but the changing rooms were not to flash and every morning we had to pack up all our bedding and at night set it up again. After Spending 7 hours on the bus we got our first glimpse of the skyscrapers and houses that made up Melbourne. When we where in the city we went straight to the Aquatic Centre and had a swim then went on the water slide about six times each then we went to St Kilda beach for some fish and chips for tea. The fish was really nice because it was so fresh and cooked just right. After that it was back on the bus and heading to Moomba Park Primary School where we stayed. On Tuesday we went to the Zoo and looked at all the animals including baboons and Macaws, after that we had an over priced lunch then we had a lesson with the zoo teacher and patted a snake and had a look at some confiscated Zebra, Lion and Leopard skin and some elephant tusks. When the lesson was finished we went to Telstra Dome for a tour and had a look at the club rooms and some 27,000 dollar chairs. After Telstra Dome we went to Fawkner RSL for tea we had a choice of either chicken parmigan or lasagne. After our main we could have ice cream cake or mousse and cream. On Wednesday we went to the Science Works, then the Planetarium then back to the Science Works for our worst lunch of the whole time we stayed there (we had soggy sandwiches) then we just had a general viewing time in the Science Works. Then we headed off to the Museum and had a look at the Dinosaurs and a big whale skeleton and watched a video about how they ended up with the skeleton. After that we went to IMAX and watched a film about the international space station narrated by Tom Cruise. The most fun part about that was watching them throw chocolates and an orange at us in 3D most people opened their mouth for the chocolate and tried to block the orange. When IMAX was finished we had a look at the Australiana gallery of the museum including Farlap. Then we went back to Moomba Park for a barbecue tea and a swim.

On Thursday we spent three hours at the market and most people bought clothes. After the long haul at the market we went to McDonalds for lunch and had a meal. Then we went on a tram ride to the Crown casino and had a look at the fountains. After we got out of the casino we went to the aquarium and had a look at the fish then we went back to Moomba Park and had pizza for tea. In the morning we packed up all our stuff and put it in the bus and started the long trip home saying goodbye to Melbourne as we were driving off.

LAKE CULLULLERAINE

ON THE 2ND OF DECEMBER THE LAKE SCHOOL, WERRIMULL, ST JOES RED CLIFFS AND MERBEIN WENT ON CAMP TO LAKE CULLULLERAINE. THE CAMP WENT FOR A WEEK. WHEN WE GOT THERE WE HAD OUR PLAYLUNCH AND WE HAD TO WAIT FOR OUR BAGS BECAUSE THE BUS WE CAME ON DID'NT CARRY BAGS. SO ST JOES HAD TO PICK UP OUR BAGS. EVERY NIGHT WE WENT TO BED AT 9:45PM. EACH DAY WE HAD UP TO 3 ACTIVITIES. SOME ACTIVITIES WERE WOOD BURNING, KAKAYING, COOKING, BUSH ART AND MORE. EVERY NIGHT WE DID AN ACTIVITY. THE FIRST NIGHT WAS A TORCH WALK, SECOND NIGHT WAS A CONCERT, THIRD NIGHT A TRIVIA NIGHT AND FORTH NIGHT WE HAD A DISCO, WHICH WAS THE BEST. WE CAME HOME FRIDAY AND MOST OF US WERE TIRED. WE ALL MADE NEW FRIENDS.

MINI OLYMPICS!

On Wednesday the 16th of October we went to the Mini Olympics to compete against all of the schools in Sunraysia. The people that were really good got to go to Melbourne, to compete against other people that have personal trainers and stuff. Eight of us from The Lake went there. I had three events. The first one was shot put. I was second last, because of my last name. We all started off with a practice shot. That was really bad. If I was doing that for real I would have got a foul, because I didn't put it on my neck. But when I got going I did a lot better. I didn't get any thing though. I started talking to a girl from St. Joes Red Clifs. She was really nice. My next event was the cricket ball throw. I didn't do that good either! I had a bit of a sore arm too. Then we had a short break. My next event was the discus. I was standing in line and this girl asked if she could do a sinning thing, then I asked how do you hold it? He looked really shocked! H asked me if I've ever done it before, and I said 'no'. He said that I could go if I wanted to. So I did. It was a really horrible day for doing sport. It was so windy that one of the high jump mats began to blow away! Us girls went back to school before the presentations. When the boys got back they said that Caitlin got a third in triple jump, but we didn't know if were pulling our leg or not. I had a lot of fun even though I didn't win any thing and the weather was really bad! By Kass

LUNCH TIME ACTIVITIES

Our lunch times have been busy again this year with lots of activities to entertain us during play time. On Mondays and Wednesdays we have continued to have board games in the Grade 5 room with Miss Newton. This year has seen Battleships, Celebrity head and Chess become the most popular games. On Tuesday, Thursday and Fridays Mrs. Kerridge, Mrs. Eckert and Mrs. Jordan have opened the Library for quiet reading, videos and drawing. The students have really appreciated having these extra activities to do and we need to say a big thank you to those teachers who have organized them. Thank You!

KATIE GOLD VISIT

On the 29th of August the Grade 5 and 6 students were lucky enough to get a visit from Katie Gold from the Australian Survivor show on Channel WIN. She came as part of the White Lion Speakers, a group of young people who have achieved great things by going through some tough times and they speak about how to achieve your goals and follow your dreams. There were also a young film maker, an artist and a man who plays for the Mavs. Katie Gold told us lots of interesting information about her time on Survivor and about how she become a national netballer and an international triathlete. Afterwards we all looked on her web site and some of us emailed her to thank her for visiting our school.

School Block

This year has been both a busy and successful year on our school block. Our block Manager, Mr. John Tonc and his family have put in countless hours and hard work helping the bock get its biggest return yet. As a school community we have been involved in several working bees this year. The first saw lots of people help out picking the grapes. We were successful in bringing in 15.58 tones of sultanas and 5.18 of Merlot, our biggest return yet. Later in the year we had a couple of working bees for rolling on and for the new nursery vines. Our latest working bee was to remove the area and rubbish in and around the sheds for the development of and construction of a new hardcourt area in the new year. Thank you to all those families who gave up some time to help with the working bees, it is great to see people there and we look forward to seeing more people ready and willing to help next year. The whole school community wishes to thank John Tonc and his family for their time and efforts.

Sturt and Chaffey Day

Our Sturt and Chaffey day was on Thursday 19th September. The day was filled with lots of competitive events between the two teams. Sturt ended up winning the day and took out most of the age champions.

Cross Country

The district Cross country held in Mildura was on May 21st and we had a few representatives from grade 5 and 6. Our own cross country was held on Wednesday 26th June.

School Captains

Job Description

The school captains show people around the school from overseas, and other places and make speeches to thank them for visiting after a performance.
I really enjoy being school captain.
At the start of the year the grade fives and sixes all voted for the school captains for the year 2002.
We had to nominate and write speeches.
I'm proud to be a school captain at The Lake P.S

The school Captains are
Justin Smith and Kassandra De Bortoli.
Vice Captains
Ilario Cavallo and Georgina Blythman.

This is a Interview with a school captain.
Q: Kassandra do you get nervous when you go up in front of the whole school?
A: No I am not nervous.
Q: Have you ever gone up in front of the whole school and said the wrong thing?
A: Not yet but I hope I don't.
Q: Were you shocked when you got chosen for school captain?
A: Yes very shocked.
Q: Do you think it is hard to go up in front of the hole school and say something to someone you don 't know.
A: No it's not hard
Q: Would you give up this for house captain?
A: No way.
Q: When you got school captain was it a close vote?
A: Yes very close.

GRADE 6 CLASSROOM

Last year the grade six classroom was built. It started to go up at the start of 3rd term and it finished the week before school ended. John Tonc and his crew built it. It is joined to the grade 5 classroom. They did all the painting and other stuff in the holidays. It is Equipped with 7 computers, a TV, a Whiteboard, a wash room joined to the grade 5 classroom and so is Mr bell's and Miss Newton's office.

The Lake School Parents Club

Parents Clubs have been involved in schools since the 1920's and it is with pride that "The Lake School" can boast it was one of the original Parents Clubs in Victoria.

80 years on and we are still endeavoring to enhance our children's school years. Our Parents club is dedicated to ensuring our children are safe, happy and have the right opportunities to reach their full potential.

During the past year we have organized different fundraisers to help us reach our goals. Our fortnightly food days have continued to be very popular. The chocolate and pie drives have been most popular and successful. Once again I'm sure there were many happy Mums and Dads on Mothers and Fathers day. The time and care the children took in choosing and purchasing their gifts was delightful to see.

We are always grateful for any help or donations we receive during the year and all is greatly appreciated.

Below I have listed some of the items we were able to purchase with our funds, however none of this would be possible without our Parents club members and our general school communities support.

3 CD players	library books	2 literacy units
An oven in kitchen	sink in prep room	sporting equipment
Books for Grade 5/6	Picnic tables	an urn
Xmas disco		
Money towards Grade 6 blinds		

We thank everyone who supported us during the year and look forward to a successful 2003.

The Lake School Parents Club

BOOK WEEK

On the 21st of August we had a book day. Most people dressed up. We had it at our school. To show off our costumes we had a parade.

There were 9 activities but every group only did 4 activities. Some of the activities were the chocolate game with Mrs. Pongrac, icing cup cakes with Miss. Newton, mini cinema with Mr. Bell, pudding with Mr. Probert, caterpillars with Mrs. Liddell, noodle pictures with Mrs. Jordan and vegie stories with Mrs. Sutherland.

Some of the good things about book day were we got to do activities with food and eat the food afterwards. We also liked that we had a parade, got to cook and the activities were fun. The bad things about book day were we didn't get to do all activities, some people didn't dress up, book day didn't go all day and Renee broke her sister's shoe. Unfortunately we didn't get to be in groups with our friends. I think next year we should do all the activities, have bigger groups, have book swaps more often and have it go all day long.

THANK YOU

A big thank you to all the grade 5 and 6 students who were on the School Magazine Committee, you have put in a lot of effort and without your help the magazine would not be able to be published. A special thanks to all those outside helpers for their contributions and to the teachers for helping their class complete their class pages.
A special thank you to Mrs Simmons for helping me with the photo-copying, a huge task!
THANKS!
