POLICY

1. School profile

The Lake Primary School was established in 1908 and was the fifth state school to open in the Sunraysia area – the first on the west side of the Mildura township. The school is situated adjacent to Lake Hawthorn, 8 kilometers west of Mildura on the Calder Highway.

We are a school of approximately 300 students and 30 staff who love being a part of the Cabarita community. We are a rural school just on the outskirts of Mildura. We have a very energetic school community which consists of

children, parents and grandparents. Fortunately, we are a school with a very active Parents & Community Group who assist with many fundraisers that directly benefit the development of our students.

The Lake Primary School aims to provide an academic, social and physical environment that allows all students to achieve their relevant potential. The school encourages this through a strong family oriented, rural school setting, with a focus upon developing a strong sense of belonging and enhancing a safe, stimulating and happy learning environment.

2. School values, philosophy and vision

The Lake Primary School is committed to providing a safe, supportive and inclusive environment for all students, staff and members of our community. Our school recognises the importance of the partnership between our school and parents and carers to support student learning, engagement and wellbeing. We share a commitment to, and a responsibility for, creating an inclusive and safe school environment for our students.

Our school values are: Respect, Learning, Resilience, Success and Tolerance

When a student acts in breach of the behaviour standards of our school community, The Lake Primary School will institute a staged response, consistent with the Department's policies on behaviour, discipline and student wellbeing and engagement. Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff.

Our school considers, explores and implements positive and non-punitive interventions to support student behaviour before considering disciplinary measures such as detention, withdrawal of privileges or withdrawal from class.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.

Disciplinary measures that may be applied include:

- warning a student that their behaviour is inappropriate
- teacher controlled consequences such as moving a student in a classroom or other reasonable and proportionate responses to misbehaviour
- withdrawal of privileges
- referral to the Year Level Coordinator, Leading Teacher, Assistant Principal or Principal
- restorative practices
- detentions
- behaviour support and intervention meetings
- suspension
- expulsion

Suspension, expulsion and restrictive interventions are measures of last resort and may only be used in situations consistent with Department policy, available at:

- https://www2.education.vic.gov.au/pal/expulsions/policy
- https://www2.education.vic.gov.au/pal/restraint-seclusion/policy

In line with Ministerial Order 1125, no student aged 8 or younger will be expelled without the approval of the Secretary of the Department of Education.

The Principal of The Lake Primary School is responsible for ensuring all suspensions and expulsions are recorded on CASES21.

Corporal punishment is prohibited by law and will not be used in any circumstance at our school.
