Celebrating a Year of Growth and Community at The Lake PS: A Reflection on 2025

As I reflect on another remarkable year at The Lake PS, I am filled with gratitude for the vibrant community we have built together. This year has been one of growth, learning, and unforgettable experiences, and I am excited to share some of the highlights and school improvements with you.

Major Fundraiser – October 24th

What an amazing night! Our community night certainly was a wonderful display of what it means to be part of a supportive and inclusive community. Equally important, was the amazing opportunity for our students to play and interact with students of all ages! Through the generous support of our entire community, a remarkable \$7,630 was raised which was instrumental in helping us raise essential funds for our STEM and Art programs.

Pedal & Putt

The Lakers' Pedal & Putt was certainly another highlight of the year! It's remarkable what can be achieved with the passion, dedication and once again, the very generous donations from our local community that contributed to this initiative! A big thank you to all involved! The students are very proud and excited to have this adventure track at our school!

Linked In Lakers Initiative

We proudly introduced our Linked in Lakers initiative this year, aimed at strengthening connections between students and staff. This initiative has already fostered a deeper connection with our students and it's been a wonderful opportunity to support for our students' growth; both academically and socially.

Purchase of a 39-Seater Bus

The purchase of a new 39-seater bus has already provided greater opportunities for off-site learning experiences, such as camps, local excursions, swimming lessons, sporting events and so much more! It is wonderful to be able to give our students these wonderful hands-on experiences in their own community!

Stomp

The Stomp event was a standout moment in our school calendar, showcasing our students' incredible talents, creativity & teamwork. This was a celebration that many of our families came to see and support our performers.

Real Schools

Our partnership with Real Schools continues to thrive, focusing on improving our school culture and fostering positive relationships among students and staff. This initiative continues to create a supportive and engaging learning environment based on a united vision for whole-school culture!

Glasses for Kids Program

The Glasses for Kids Program was fully supported by our families and it was a wonderful opportunity which ensured that all students have access to glasses if needed. This initiative demonstrated our commitment to the well-being and success of every child in our school.

NAPLAN

This year, our school achieved commendable results, with 83% of Year 3 students meeting writing standards, surpassing the state average of 80%. In other areas, our Year 3 students demonstrated solid performance in numeracy (77%) and grammar and punctuation (63%), while reading (63%) and spelling (57%) showed room for improvement compared to state averages.

This year, our school recorded strong results with 74% of Year 5 students meeting reading standards, slightly above the state average of 75%. While we achieved 66% in writing and 65% in numeracy, areas like spelling (58%) and grammar and punctuation (56%) indicate opportunities for further improvement compared to state benchmarks.

Thank you for your ongoing support and dedication to The Lake PS. Here's to another successful year ahead in 2026!

Merry Christmas & a Happy New Year!

Ms Warburton

ASSISTANT PRINCIPAL REPORT

Wow! What another extraordinary year at The Lake Primary School! Our students have continued to amaze us with their growing independent learning habits, their eagerness to tackle new challenges and their desire to be their best selves.

With the introduction of FISO 2.0 (Framework for Improving Student Outcomes), we have seen an increased emphasis on student wellbeing. In fact, learning (50%) and wellbeing (50%) now hold equal weighting within schools. This year, we have set lofty targets around a) teacher concern; b) sense of connectedness; c) bullying; d) sense of inclusion; and e) sense of confidence. To address these wellbeing targets, we have remained focussed on our restorative practices within our Real Schools framework along with introducing two new initiatives – Linked In Lakers and The Stand-Up Project.

Linked In Lakers has been aimed at addressing connectedness. Each staff member has been a supportive mentor for approximately 10 students by checking-in regularly, being available to listen or simply just having a ‘walk and talk’. The Stand-Up Project has focussed on strengthening student voice and giving students the encouragement and permission to be an upstander. I would like to congratulate and thank the 23 senior students who have driven this new initiative with passion and a real sense of responsibility. I look forward to assisting the students to build on the momentum next year.

Our buildings and grounds have continued to be a great source of pride for our school community and we are the envy of many. Mr. Trev Roelofs, our full-time groundsman, has continued to pour his heart and soul into a variety of projects, with the most recent one being an expansive outdoor play space for the students. On October 24th, we held our major fundraiser, which included the grand opening of our new bike track and golf chipping green, which has been aptly named, ‘Lakers’ Pedal & Putt’. This innovative new play space will further encourage physical activity amongst our students, provide lots of opportunities to laugh together and build relationships. Oh, how lucky we all are!

Finally, thank you to our wonderful school community for your enthusiastic support throughout the year. Our list of volunteers continues to grow and your input, both big and small, makes a significant contribution to The Lake Primary School family.

All the best for a happy and safe holiday break.

Shaun McInerney

SCHOOL CAPTAINS

Bailey Coombes

Nickname: Bazza Coombes

Words that describe you: Sporty, happy, kind, confident and energetic

Hobbies: Basketball, footy, bike riding, hanging out with friends and going on the houseboat.

Favourite song/food/movie/sport: Scar tissue or Mr Brightside, lasagna, Starling 5 and basketball or footy.

Favourite three teachers @ TLPs: Miss Goddard, Mrs Cohrs and Mr Bell

What is your first memory of TLPs?: Making gingerbread man or meeting my buddy

What will you miss about primary school? Seeing my friends and lunch and recess

What would you like to be remembered for? For being a role model and someone who was always there to talk to or play with.

What are your goals for the future? To own my own business or to be a police officer

If you could travel to one other country, what would it be? Why? I would go to America so I could go watch The Golden State Warriors.

Farewell message: Thank you for letting me be your role model. I have really enjoyed this role and I hope the next school captain strives in this role.

Mia Jowett

Nickname: Mimi

Words that describe you: kind, funny, confident.

Hobbies: Baking, shopping and hanging out with friends

Favourite song/food/movie/sport: We can't be friends, Pizza, Moana, Basketball

Favourite three teachers @ TLPs: Miss Louise, Miss Mumford and Miss Cohrs!

What is your first memory of TLPs?: On Orientation Day I walked into Miss Hunt's class, and she was very nice and welcoming.

What will you miss about primary school? The staff, younger students and friendly environment.

What would you like to be remembered for? Being a good role model and making people's day brighter.

What are your goals for the future? Being successful in saving people's lives

If you could travel to one other country, what would it be? Why? Greece because they have good food and pretty beaches

Farewell message: Thank you everyone for giving me this opportunity. It has been an amazing year. Thank you, Zara, Ivy and Bailey, for making this year amazing and I wish the best for next year's captains.

Zara Eagle

Nickname: Zar Zar\ Zar

Words that describe you: confident, kind, brave, funny, energetic

Hobbies: Dance, puzzles, baking, shopping, soccer

Favourite song/food/movie/sport: The Fate Of Ophelia, Pizza, M3GAN, Dance

Favourite three teachers @ TLPs: Mrs Mumford Mrs Louise and Mrs Goddard

What is your first memory of TLPs?: When I accidentally left one of my teddies outside in prep and we had to go inside because it was raining and so I went inside

and realised my teddy was still out there, so me and my best friend Jaynah Went back outside to get it and got absolutely soaked.

What will you miss about primary school? The familiar environment with awesome teachers and friends.

What would you like to be remembered for? Being a great school captain and role model

What are your goals for the future? Doing a jazz, lyrical or contemporary solo at Star Bound National Dance Competition

If you could travel to one other country, what would it be? Why? I would want to go to

America so I could go to Disneyworld

Farewell message: Thank you to everyone who has supported me through primary school and I would also like to thank Ivy Bailey and Mia for making this year as a captain so awesome!

Ivy Duscher

Nickname: Ive's

Words that describe you: Energetic, sporty, competitive, kind and loud.

Hobbies: Shopping, playing netball and basketball and hanging out with my friends.

Favourite song/food/movie/sport: Where the Wild Things Are, Singapore noodles, The Rookie, Netball!

Favourite three teachers @ TLPs: Mr Bell, Mrs Humphrey, Mrs Cohrs.

What is your first memory of TLPs? Breaking my arm and making gingerbread cookies.

What will you miss about primary school? All of my friends, and all the memories I made.

What would you like to be remembered for? I would like to be remembered as a kind person who helped others.

What are your goals for the future? My goals are to be a really good netballer.

If you could travel to one other country, what would it be? Why? To Japan to eat all the food and get a Japanese jelly cat and also Bora Bora to go swimming in the beaches.

Farewell message: I really enjoyed all my time at the Lake Primary School, all the memories I made, I will forever miss and cherish all the memories I made with my friends. And being a Vice Captain has made for more braver when speaking into big crowds and speaking up for people so thank you all that gave me a great time at the TLPs!

SCHOOL COUNCIL REPORT

As we reflect on the 2025 school year, the School Council is proud to have been a part of some significant milestones that will benefit Lakers for years to come.

Thanks to the incredible generosity and involvement of the school community, we raised substantial funds throughout the year. These efforts have directly contributed to the expansion of STEM resources. I am sure that the addition of new technology and learning tools is already enriching lessons and inspiring our children.

One of the most exciting developments was the purchase of a school bus. This long term investment ensures our children can participate in excursions, sporting events and off-site learning opportunities with ease.

The latest exciting development at The Lake has been the construction of the pump track and putting green. Mr Trev has done a power of work to get this up and running and we are sure Lakers for years to come will benefit from the skill-building, recreation and social interaction this space provides.

On behalf of School Council, thank you to everyone who contributed time, ideas and energy into this year. We look forward to continuing this momentum into 2026.

Wishing everyone a safe and happy holiday break.

Ler ree Brown,
School Council President

We have such diverse roles in a school environment and we love being a part of TLPS Community

Did you know we.....

- Manage the school's finances
- Assist and support families
- Help and support students
- Provide welfare support to our students, families and staff
- Maintain our school grounds and facilities
- Help bring visions to reality

1/2A What Brings Me Joy?

Alec

Christmas brings me joy because I get presents like Nintendo games.

Audrey

Christmas brings me joy because I open presents.

Connor

My grandparents bring me joy because they give me lollies.

Layla

My birthday gives me joy because my friends come and I get lots of presents.

Angus

Kade brings me joy because he understands what I do and he is really funny.

Lillee

Christmas brings me joy because I get to see my aunty from Melbourne.

George

Easter brings me joy because I can go camping with my dad.

Remy

Christmas brings me joy because I get lots of excellent presents.

Harvey

Going on holidays brings me joy because I can enjoy it with my family.

River

Playing Minecraft brings me joy because I like building lots of bases.

Lexi

My birthday brings me joy because I get lots of presents and cake.

Oliver B

Christmas brings me joy because I get to see all my uncles and aunties.

1/2A What Brings Me Joy?

Elise

School brings me joy because I get to learn and play with my friends.

Logan

My dad brings me joy because he lets me play games on the X Box.

Stella

Easter brings me joy because I get so many Easter eggs!

Oliver G

Footy brings me joy because I get to kick lots of goals.

Rilee

Christmas brings me joy because I make a mess with the wrapping paper.

Zack

My dad brings me joy because I get to play Minecraft with him.

Airlie

My teddy Clover brings me joy because I get to snuggle with her every night.

Kade

My toy Pickles brings me joy because I can play with him.

Candace

Christmas brings me joy because I get great presents like an airmat.

Bradley

Christmas brings me joy because I get to see my family.

Lacey

Christmas brings me joy because my family gets to open lots of presents.

Bailee

The holidays bring me joy because I get to ride my fast motorbike.

1/2B'S MAGICAL POWERS

If I had a magic power, whatever I touched would turn to gold.

If I had a magic power, it would be the power of flying.

If I had a magic power, it would be that whatever I drew became real, so I could have anything I wanted whenever I needed it.

If I had a magic power, it would be turning into animals, so I could turn into a cheetah.

If I had a magic power, it would be to read people's minds, so when my mum was about to tell me to clean my room, I could run outside first.

If I had a magic power, I would turn into any animal to see what it can do.

If I had a magic power, I would be indestructible, so if I got hurt, it wouldn't hurt at all.

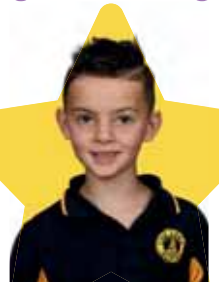

If I had a magic power, I would teleport, so I wouldn't get in trouble.

If I had a magic power, I would fly so I could save people from falling out of their house.

If I had a magic power, it would be to shoot out fire and water from my hands.

If I had a magic power, I would teleport so I could go anywhere in the world.

If I had a magic power, it would be to be able to fly.

IF I HAD A MAGIC POWER...

If I had a magic power, I would have plant power so I could help animals.

If I had a magic power, it would be teleportation, so I could go wherever I want.

If I had a magic power, it would be to get money whenever I want.

If I had a magic power, it would be invisibility. I would play football and kick a goal without anyone seeing me.

If I had a magic power, I would be invisible so people couldn't see me.

If I had a magic power, I would have water power so I could fill my water bottle.

If I had a magic power, I would teleport so I could go to my BFF's house.

If I had a magic power, it would be to make people do what I say, so I could tell my mum and dad to take us to the movies.

If I had a magic power, it would be teleportation.

If I had a magic power, I would be invisible so I could take my brother's things, like his phone.

If I had a magic power, I would have a magic notebook so what I draw would come to life.

If I had a magic power, I would pause time so I could go anywhere I want.

Leadership Teams

CURRICULUM

In the Curriculum Team, we have been working on making ideas for teachers to use and to make learning more fun and engaging. We have used ideas from people around the school to give students a voice. This way, people will be happy with the changes to make learning more fun. As leaders, we have learnt that it takes a lot of preparation and effort to complete a project. We have learnt that people do so much for things such as the weekly newsletter and reports for the school.

COMMUNITY

Being a part of the Community Leaders has taught us how to respect and understand others' emotions and perspectives and encourages us to be part of a team. We showed this by including others in our conversations and letting them share their own opinions. Our project was to raise awareness for diabetes by giving out blue-themed lollies to people around the community.

JSC

We have enjoyed being part of the Junior School Council this year. We have had many challenges along the way. This year, we have run many projects such as Colour Day, Crazy Cozy Day, and a disco. We have had to use a lot of teamwork and creativity as the leaders of the junior school. If we were to do this again, we would put more time into planning events before we run them.

Leadership Teams

ENVIRONMENT

The Trees To Please project was arranged to teach people the responsibility of caring for the environment, and it did so perfectly. Our Trees To Please project helped us learn how to take care of the environment, care for the trees, and contribute to our team effectively, teaching us the responsibility of organisation. In the future, we would have tried to plan earlier, making sure to have enough time to arrange more for the timetable and possibly add more events during the day.

VALUES

This year, we hope we have accomplished showing younger year levels how to show better values by showing values in and outside of class. We have been planning to go into the younger year levels and teach them what value to use in certain scenarios and to show them more often. We were hoping to have a day where you wear the colour of your favourite value or the value you want to see more often.

REAL SCHOOLS

Real School Ambassadors have had wonderful ideas over 2025, one being the gold box to put your ideas in. We want to thank the people who put their imagination into their ideas. We believe in student voice. Although we unfortunately cannot create all of your brilliant ideas, we hope that the next Real Schools team can continue the greatness. We have learnt with these projects that we cannot do all these ideas because some are not realistic for our school at this point. We hope next year's Real Schools team will have as much fun as we did.

JSC 2025

WHAT HAVE YOU ENJOYED ABOUT BEING IN JUNIOR SCHOOL COUNCIL THIS YEAR?

Viviana - Picking activities for the other students.

Hamish - Colour Fun Run.

Rafael - Deciding on what to do.

Brody - Colour Fun Run.

Zoe C - I enjoy running the meetings.

George - Planning the disco.

Azusa - Colour Fun Run.

Zoe H- Crazy hair/PJ day.

Evie - Getting to organise what the school does.

August - We can decide what we do at our school.

Mark - Honestly, everything!

Logan - Making people happy.

Wes - Crazy hair day.

Preston - Getting to organise all the stuff.

Leela - I enjoy running the meetings.

VICTORIAN

High-Ability Program

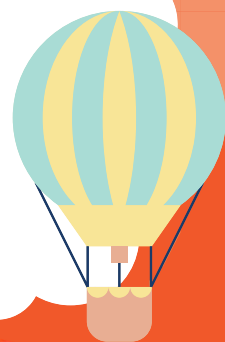

Throughout the year, Mrs Kristie Hunt had the pleasure of working with the following students in the 2025 Victorian High-Ability Program (VHAP):

English Course: Kylah Heywood, Lexxi Ryan and Zara Eagle.

Maths Course: Fletcher Fitzgerald, Hamish Thompson, Bailey Coombes, Riley Herrick, Jax Williams, Joseph Zara, Kylah Heywood, Quade Peterson, Harlen Saleta, Rosa Heaysman and Alice Poulton.

A big congratulations to these students, for successfully completing their VHAP courses and for representing The Lake Primary School with pride. It was wonderful to see their enthusiasm, commitment, and willingness to tackle challenges, whilst collaborating with students in other Victorian schools via Webex.

THE LAKE LIBRARY

A library is a magical place where every
book opens a new world of adventure!

Breakfast Club

Throughout 2025, students have enjoyed coming together with friends to kick off their mornings with a nutritious breakfast.

From delicious cheese toasties and cereal to fun pancake days, our breakfast club ensures everyone starts the day energised and focused.

A big thank you to all our amazing student helpers who show up every Tuesday and Thursday with a smile and a helping hand, we couldn't have done it without you!

FUN

1/2 Activity Days & Grade 2 Sleepover

Sleepover

On Thursday the 11th of September we went to Lake Hawthorn and we also went orienteering and then to EnviroEdu to learn about reptiles. After that, the Grade 2s had a sleepover at school! At the sleepover we had a very fun disco!

Macey H

On Friday we woke up watched Bluey and then had pancakes, yum! We went to Ten Pin Bowling and then to Benetook Farm. **Amelia**

Book Day

Book an Adventure

2025 Children's Book Week
was celebrated 16-23
August.

The theme was
'Book an Adventure'
and marked the 80th
anniversary since its
inception.

On Friday 22nd of August
Students and Staff were
encouraged to dress as their
favourite book character.
The day commenced with a
parade on Lakers' Court
with rotational activities
throughout the day.

ANZAC SERVICE

Our school ANZAC service was held on Thursday, 24th of April. This year, we were inspired by our newly created memorial garden created by groundsman, Mr. Trev Roelofs, which proudly displays the names of soldiers connected to The Lake Primary School who fought in WWI and WWII. As always, it was an occasion to respectfully reflect and show our appreciation to the courageous men and women who have bravely fought, and in many cases made the ultimate sacrifice, for our wonderful country.

Our School Captain, Bailey Coombes, and Vice-Captains, Zara Eagle and Ivy Duscher, expertly led the service and they were ably assisted by Nate Cooksley, Brooklyn Scarr and Kyla Heywood, who had official roles on the day. It was touching to hear the heartfelt reflections titled, 'What Does ANZAC Day Mean to Me?', from Layla Caruana, Maddie McAskill, Tom Birnie and Amelia Gale.

Continuing the tradition, Ms. Warburton gathered with many of our students in Merbein at 9.00am for the ANZAC Service and march on April 25th. Jaynah Bowes, Bailey, Zara and Ivy laid a wreath on behalf of The Lake Primary School community.

NAIDOC WEEK Celebrations

Early in Term 3, we celebrated NAIDOC day. This year's theme was The Next Generation: Strength, Vision and Legacy. It was a wonderful occasion where we recognised and honoured the history, culture, and achievements of Aboriginal and Torres Strait Islander peoples and learnt about the rich heritage of the First Nations people. Throughout the day, students and staff engaged in a variety of activities including storytelling, indigenous games, artifacts, johnny cakes and boomerang throwing. We were fortunate to have the support of local KESOs (Koorie Education Support Officers) and MADEC employees to assist on the day, which concluded with a smoking ceremony facilitated by Uncle Peter.

STEPPING STONES THE LAKE OSHC

SS The Lake OSHC pride ourselves on high quality care and educational learning journeys in both our After School Care and Vacation Care programs. Educators role-model and are supportive of children's development and strive for growth. We believe children learn best through engagement and doing so, children begin to understand the importance of day to day life skills. Promoting a strong sense of self, helps guide educators to embed community and culture whilst providing opportunities for lifelong learning to emerge. Our educators embed safe, secure, nurturing, and stimulating environments for all children enrolled beyond the regular school hours.

We embed not only our services values, policies and procedures but those of TLPS too as we believe to follow what the children are already learning or know is paramount. The planning cycles and curriculums showcase and promotes children's social, emotional, wellbeing, physical and cognitive development, while also ensuring continuity of learning through play, creativity and structured experiences. As we are supporting children's development the program offers a wide range of activities that support critical thinking, problem-solving, and creativity. Opportunities for physical activity, outdoor exploration, and cooperative games as well as emotional and social learning experiences that foster confidence, independence, and resilience.

The Lake OSHC embed culture and identity and take pride in embedding Aboriginal and Torres Strait Islander perspectives throughout our programs. Children are encouraged to explore and celebrate cultural diversity through storytelling, art, music, and food. We also foster and show respect for country and community, with regular acknowledgment of the traditional custodians of the land. Inclusive practices reflect each child's background, language, and identity. Ongoing learning through play and exploration showcases our care environments, which are designed to extend past the child's classroom. Children's learning is fun and meaningful and children are able to lead their own learning through choice based activities.

Educators facilitate experiences that link to the Victorian My Time, Our Place Framework, The National Quality Standards and also governed by The Children's Services Act, Regulations and Law, ACECQA and Child Safe Standards. Educators ensure every child feels connected, safe and secure, capable, valued, inspired and excited to learn whether enrolled in the After School Care or Vacation Care sessions.

The Lake Primary School

Prep A - 2025

Principal: Ms Bernadette Warburton

Teacher: Miss Katrina Land

Back Row: Heath Fiebig, Hayley Shaw, Reign Dea, Martyn Albanese, George Palmer

Second Row: Katrina Land, Toby Jacobson, Jackson Scrivener, Scout Cameron, Aila Williams, Willa Fennell

Front Row: Loui Bateman, Charlie Scadding, Judson Monaghan, Henley Milner, Toby Rayner, Jack Malic

Absent: Niel Jordaan
