Principal's Page

Welcome to the 2023 Lake School Magazine! A summary of what has been a fabulous year! It's been very difficult to decide which events to highlight in my principal's page, as it has been another jam-packed year of achievements and fun activities. The Lake PS team are a very dedicated passionate team and I would like to sincerely thank all staff for making so many milestones, memorable events and opportunities for our students! A very special thank you to Ms McNair, Mrs Kristie Hunt and Miss Land for making our school magazine such an amazing ? of our 2023 school year.

With an enrolment of 305 students this year, we also welcomed the following new staff - Miss Parfrey, Miss Land, Mrs White, Mrs Alexander & Mrs Leanne Hunt. Many thanks for your contribution to our school - we wish you all the best of luck for your new endeavours for the 2024 year along with Ms Arnold who will not be returning in 2024! We will see Miss Land & Mrs Hunt back in 2024! Happy retirement to Mrs Wade after more than 20 years of teaching at The Lake! We wish you and your family all the best for this new chapter!

We also welcomed Daisy - our wellbeing dog! This has been a wellbeing initiative introduced by Miss Louise and loved by the staff and students! We look forward to Daisy being a regular part of our day here at The Lake for years to come! Another big initiative this year was the introduction of the Breakfast Program which was implemented and managed mainly by Mrs Patterson, Miss Vickie and some very generous parent volunteers and awesome student helpers. Thank you - your commitment to this program has allowed students to start their day ready to learn! All the best to Mrs Patterson as she returns to Mildura Specialist School next year! Miss Nikita (our KESO) also joined the team this year and has done a wonderful job with her inspiration and implementation of the Kids Koorie Club, an initiative that has been well received and attended by students, visitors and our families! Thank you!

Home reading hit an all time high this year, with nearly every student improving their commitment to read each night. This achievement was acknowledged by certificates, lunch with the principal, choosing a book for their home library, receiving medals for 250 nights and the ultimate trophy for 300 nights. I am so very proud of you all!

How wonderful it was to finally enjoy all our 'usual' community excursions and activities: excursions to MAC, the Cinema & Sunray Warriors - just to name a few! Congratulations to students who competed in our annual Athletics Day, Cross Country, Swimming Carnival, Inter-school and State Competitions! Camp Kookaburra, Camp She-Oak and the camp at Swan Hill were thoroughly enjoyed by students and staff, and were quite memorable times for all!

Fundraising continued in a big way, with funds allocated to construct a cover and wall break over the tennis courts - a big project that has been on the 'to do' list for many years! Record profits from the Book Fair of \$4,540.60 went directly back to students to purchase new books (some serious shopping took place!) along with \$4,160 from the Easter chocolate drive, which funded the chicken coop and shelving for the student lunchboxes amongst many other things.

Under the new Disability Inclusion Program, eight students will receive funding to support their learning, many thanks to Mrs Rogerson who has worked tirelessly to make this possible! Additional students will also receive funding next year!

That's a wrap for the 2023 school year! I have thoroughly enjoyed leading this beautiful school community again this year and would like to say a big thank you to the following:

- School Council - for your ongoing commitment and support for our school improvement initiatives!
- Our Lakers - the students who make me smile and remind me everyday why I love my job!
- The Lake team - our educators and support staff who make this a great place to be!
- The Lake community - for your ongoing support and contributions that allow our school to thrive and grow!

Our education journey is embraced by all, day in, day out with pride and purpose as 'Lakers'. Enjoy your holiday break and all the associated festivities! Merry Christmas! See you all for the start of the 2024 school year.

Ms. Bernadette Warburton

Assistant Principal's Page - Shaun McInerney

The 2023 school year has been one of tremendous growth at The Lake Primary School. We continue to fully strive for the very best outcomes for every child with tailored learning programs, a strong focus on 'point of need' intervention programs and a commitment to professional learning to narrow our focus and sharpen our capabilities.

Our school motto of 'Every Student Matters, Every Moment Counts' continues to reverberate loudly throughout our corridors and our students continue to, and always will, take centre stage when making key decisions. Our increasing focus on voice and agency continues to provide students with a healthy sense of ownership and a belief that their ideas and opinions are heard and strongly considered. Our Student Attitudes to School Survey highlights that our Year 4-6 female students (75%) hold a strong sense of voice and agency, however it is clear that we need to pour some additional energy into our male students (62%) in this space.

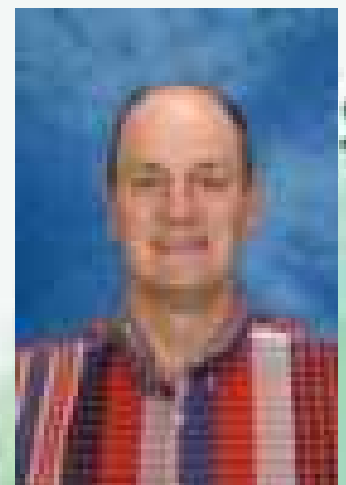

There have been many highlights throughout the year and school camps have featured right at the top of the list again. Year 5 students ventured to Camp Kookaburra; Year 6 students tripped across to Goolwa; Year 3/4s spent three wonderful days in Swan Hill at the Pioneer Settlement; and Year 1/2s had their excursion and Year 2 sleepover in October. In addition to major camps, our students have had so many amazing extra-curricular learning experiences to engage with throughout the year. Amongst others, some noteworthy events have included: 5-day STOMP program; ANZAC service; Division and Regional Cross Country; High-Ability Program; Book Day; Shrek the Musical @ MAC; Year 6 Graduation @ Willow & Ivie, and so many more.

So, what will 2024 have in store for us? Excitingly, we will be embarking on a triennial, culture building initiative titled 'Real Schools'. This initiative requires the involvement of the entire school community – everyone aboard the same train, so to speak. Common language and a restorative approach schoolwide are hallmarks of this framework and you can expect to hear lots more about this in the early stages of next year.

Finally, a big thank you to the Magazine Committee – Kristie Hunt, Katrina Land and Georgia McNair – for compiling so many wonderful memories in this year's addition of The Lake Primary School magazine.

All the best for a wonderful Christmas holiday period!

*Kind regards,
Shaun McInerney*

SCHOOL COUNCIL PRESIDENT REPORT

Another year has flown by, and it has been a positive and productive year for School Council. Thanks to all our School Council members for their time and dedication. Much of the role is supportive and unseen so it is satisfying to see the success of fundraising and the addition or improvement of facilities.

The Trivia Night that included the major raffle and auction, brought community members together and their generosity made it a successful major fundraiser.

We are excited to see the addition of the cover to the tennis/basketball courts and will continue to push for more undercover space for sports and activities.

Introducing chickens to the vegetable garden has been popular with the children and will hopefully encourage further development and community involvement.

It has been a pleasure to work with and support school staff and see their pride in our school. I wish everyone a safe and exciting holiday period and look forward to seeing you next year.

Respectful Relationships

The students have their say on the ingredients to a respectful relationship....

Most of your relationships with other people will be respectful. This means that you will feel safe, comfortable and valued. The three main factors in such relationships are you feeling:

- Connected – sharing and communicating equally and openly to feel positive emotions.
- Protected – feeling that your emotions and physical wellbeing are protected.
- Respected – feeling you are valued for who you are.

English Course - Max Hollingworth, Jack Barnes, Abbie Arnold, Amelia Lucas, Charlee Cramp, Sienna McGlynn, Finnegan Brown, Mitchell Beckmann, Chloe Watson and Jonty Cawood.

Maths Games Day

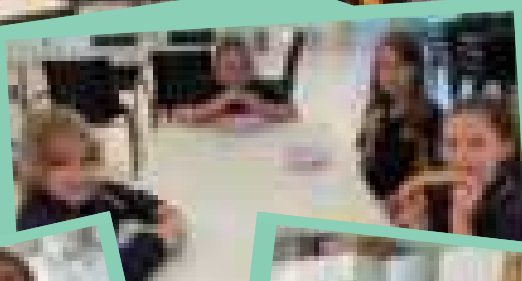

On the 11th of May, 16 Year 5/6 students from The Lake PS attended a Maths Games Day with Mrs Hunt and Miss Leah. This event was held at Merbein P-10 College and was facilitated by MAV (Mathematical Association of Victoria). Our students worked extremely well in teams of four and thoroughly enjoyed all of the fun maths challenges. It was a great experience and, as a bonus, two of our teams won great prizes for coming first and second in the overall competition against other schools.

Breakfast Club

The School Breakfast Clubs Program is a Victorian Government initiative delivered in partnership with Foodbank Victoria.

Thank you to the students, parents and staff who volunteered to keep the program alive.

What the students said.....

The toast is good.

I like the yummy fruit.

I love Miss Vickie's toasties.

Keeps me pumped for the day.

It gives me more energy for play.

It helps people have a better day.

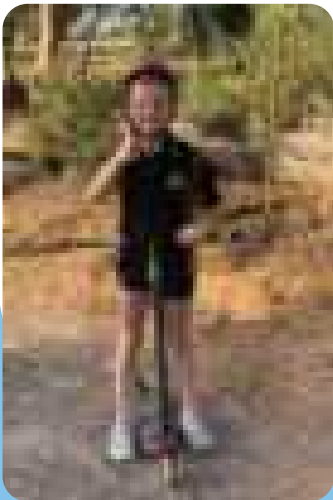

Toasties are the best, especially the cheese ones.

It's a wonderful place because our friends come here.

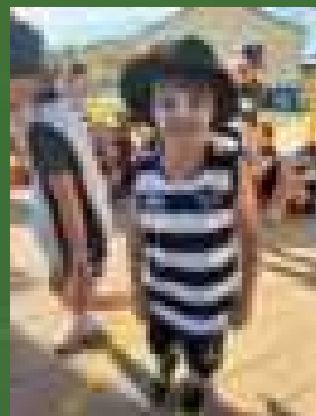

It's great because it's a different variety of food for children to experience.
